What to do with the railroads seems to be a question that is perplexing Washington.

The Christmas that would seem best to Franklin County people would be to greet their soldier boys back home

It has been given out at Washington that the wounded soldiers returning from France will be placed in hospitals near their homes. It is quite a good idea and will be greatly appreciated by the parents.

Franklin County has the honor of being one of the first to go over the top in the War Savings Stamp Pledge Campaign. Now lets make good on our pledges. You can do it, and it will be good for you.

Secretary Baker in an explanation of the delay in casualty lists says that one reason, no doubt, is due to the casualty being so slight that a prompt report was not considered necessary by the officials overseas.

Louisburg is in the habit of "going over" now and don't seem to want to stop. The Methodist church put on a campaign Sunday to raise the indebtedness of the church and did it in one day. When our folks become interested they go their full length.

The many friends of the Home and Farm Demonstration Departments are loud in their praises of the New Board of County Commissioners for their action in retaining both services. It is impossible to see the full value of these departments and we are sure the Board will not regret the position they have taken.

With a record of eight years of faithful service, of records well kept and the public's interest always in safe keeping Mr. J. B. Yarbrough redros from the office of Register of Deeds; after having given of his best to his people. During his terms of office he has always been accommodating and obliging and has deserved the continued support his constituents have given him.

**ELECTED ATTORNEY**  
The action of the new Board of County Commissioners on Monday in the election of Mr. Ben T. Holden, as County Attorney, was received with much pleasure by his many friends and admirers. Mr. Holden is one of the State's best and most popular attorneys and will make the County an excellent official.

**BREAKS A COLD IN JUST A FEW HOURS**  
"Pape's Cold Compound" ends Grippe misery—Don't stay stuffed up. You can end grippe or break up a severe cold either in head, chest, body or limbs, by taking a dose of "Pape's Cold Compound" every two hours until three doses are taken. It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness. Don't stay stuffed up! Quit blowing and snuffling! Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store. It acts without assistance, tastes nice, and causes no inconvenience. Be sure you get the genuine.
