EVER SALVATED BY CALOMEL HORRIBLE!

Calomel is quite bitter and acts like...
When you feel bilious, sluggish, constipated, and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for a few cents a large bottle of Doan's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver with out stirring you up inside, and can not salivate.
Don't take calomel. It makes you sick the next day; it loses you a day's work—Doan's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

Righteousness and Truth.
How can God fill with his own that which is already filled by man? First it must be emptied before it may be filled with the true good of righteousness and truth, of humanity and love, of peace and joy.—Howard Pyle.

Mrs. J. E. Hagan, Church St., says "My kidneys bothered me a whole lot the way they acted, and I couldn't get my proper rest. I heard a great deal of Doan's Kidney Pills so I bought a box at the Aycooke Drug Company. I am glad to say they proved just as represented. Doan's entirely cured me."
