ALVIS WOLFF TELLS ABOUT HIS STRUGGLES

Declares He Was Just About Done For—Tanlac Has Made a New Man of Me. He Says—Troubles Disappeared.

Alvis Wolff, who has been a taxidermist in Chattanooga, Tennessee, for thirty years, and who resides at 529 Glass street, recently made one of the most interesting statements ever published in connection with Tanlac, in the south.

"I really believe Tanlac has saved my life," he testified. "I had struggled with rheumatism and stomach trouble until I was almost done for. My stomach would fill with gas after eating and cause me endless suffering. I had rheumatic pains in my lower limbs that almost drove me distracted and I was so nervous and dizzy that I got so I couldn't do any work and spent most of my time in bed.

"Things are different altogether now. Tanlac has made a new man of me. My rheumatism is entirely relieved, my stomach has been put in splendid condition, I have a dandy appetite, can eat anything I want and enjoy it thoroughly. I am no longer nervous or dizzy. I feel stronger and better every way and can do more hard work than I have been able to in a long time."

Tanlac is sold in Louisburg by Scoggin Drug Store.
