## HOLD ON TO WAR SAVINGS STAMPS

Secretary of Treasury Urges Citizens to Keep Government Securities Until They Shall Have Matured.

Carter Glass, Secretary of the United States Treasury, has issued a warning to patriotic American citizens against unscrupulous persons who advertise that they are willing to purchase War Savings Stamps. Mr. Glass does not wish to have the government securities sold at sums below their actual value.

He points out that people who are actually in need of money may take their War Savings Stamps to a post office and receive cash. Mr. Glass urges holders to keep their stamps until maturity.

He states that War Savings Stamps belong only to the individual who first purchased them and that people who offer to buy stamps at low premium are violating the letter of the law in so doing. Men and women selling stamps are not only losing money which rightfully belongs to them, but are aiding unscrupulous agents to reap profits.

#### WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—which vary widely but may include pain in the back, headache, nervousness, hot, dry skin, rheumatic pains, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right the danger is overcome. Doan's Kidney Pills have proven an effective kidney medicine.

J. Lehman, prop. of shoe repair shop, Louisburg, says: "A few years ago I was troubled with pain across the small of my back and it annoyed me a whole lot. When I would sit down, I could hardly get up and I was bothered by the way my kidneys acted. My head bothered me, too and I had a continual, tired feeling. Hearing a great deal of Doan's Kidney Pills, I decided to take them and can say they certainly brought me wonderful relief.

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lehman had. Foster-Milburn Co. Mfgs., Buffalo, N. Y.

## SOLID SECURITY FOR YOUR BONDS

It is the Wealth of This Great Country Somewhere Near Hundred and Fifty Billions of Dollars.

How many holders of "Liberty" realize fully the security that is back of that property they own?

It is the wealth of the richest nation of the earth.

Here's but a glance at what that wealth comprises.

With 6 per cent of the world's population and 7 per cent of the world's land America owns of the world supplies:

- 70 per cent of the copper.
- 52 per cent of the coal.
- 20 per cent of the gold.
- 66 per cent of the oil.
- 40 per cent of the iron and steel.
- 33 per cent of the silver.
- 60 per cent of the cotton.
- 25 per cent of the wheat.
- 60 per cent of the corn.
- 30 per cent of the meat supplies.

Other mineral and agricultural products in proportion.

Today Europe owes us \$10,000,000,000; four years ago we owed her nearly half that.

Lastly our annual income, that of all the people and industries, is today something like \$70,000,000,000 annually and our national wealth close to \$350,000,000,000.

#### BOY SCOUT MEETING.

Entertainment Given in Opera House Last Friday evening.

The boy scouts had an entertainment at the Opera House Friday evening to get the work of their organization before the people of the town. The public was invited, and quite a good crowd was present. The program opened with a talk by the scout executive, Mr. F. B. McKinnis, after which a most delightful concert was given by Louisburg's best talent. Rev. T. D. Col-

lin's scoutmaster, made a splendid talk on the scout movement. At the conclusion of the program a social hour was spent by the scouts and their invited guests, when games of all kinds were played and refreshments served. This movement was begun here several years ago, and has been very popular with the boys, many of whom have joined. New officers have the work in charge, and it now looks as if this is going to be a number one organization.
