

CALOMEL DYNAMITES
A SLUGGISH LIVER
Crashes into sour bile, making you sick and you lose a day's work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea. If you feel bilious, headachy, constipated and all knocked out, just go to your drugist and get a bottle of Dodson's Liver Tonic. It costs only 25 cents and is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money. If you take calomel today you'll be sick and nauseated tomorrow; besides

it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.

SUNSHINE BROUGHT TO THIS MAN'S HOME

Made His Wife Happy By Banishing Pain And Restoring Her to Health.

A woman fills the home over which she presides with happiness, radiating sunshine and brightening the lives of those dear to her when she is in good health, but when her physical state is poor it is different, as is the case of the wife of N. J. Mitchell, Eight St., West Durham, who says: "For some time my wife has suffered had no appetite; could not sleep and had to be careful of what she ate. I had about given up hope of her health being restored when I heard of what this new medicine, Peplac, was doing, and now she is like a new woman. Before she had finished the first bottle she announced that she was feeling fine and she certainly looked better. Now her appetite has returned, indigestion is gone she no longer has those rheumatic pains. She can eat anything that she wants without fear of her food hurting her, and she sleeps soundly at night." Peplac certainly does the work.

Peplac is sold and recommended in Louisburg at Scoggin's Drug Store, Winston-Banks Drug Co., Youngsville F. E. Holding, Wake Forest, and W. W. Parker at Henderson. Buy a bottle today it has helped others and will do the same for you.

doubled the beauty of your hair. Besides beautifying the hair at once, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it, surely get a small bottle of Knowlton's Danderine from any drugist or toilet counter for a few cents.

This Corn Will Peel Right Off!

"Gets-It" Makes Corns Come Off The "Banana-Peel" Way!

Why have to hop on the floor, squeeze yourself up like the letter 'Z', and with bulging eyes draw your face up into a wrinkly knot while you crouch and put at the "quick" of a tender corn? That's

There's No Fussing or Cutting. "Gets-It" Always Works!

the old, savage way. "Gets-It" is the modern, painless, simple way. Lean over and put two drops of "Gets-It" on the corn, put your stocking and shoe right on again, and forget the corn. Pain is eased. "Gets-It" has revolutionized the treatment of corns. It never irritates the true flesh. You'll stop limping on the side of your shoe, and do away with greasy salves, bundling bandages, thick plasters and painful methods. Use "Gets-It". It's common sense.

"Gets-It" the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. M'd by E. Lawrence & Co., Chicago, Ill.

Sold in Louisburg and recommended as the world's best corn remedy by F. R. PLEASANTS.

Catarrh for Twenty Years PERUNA

Mrs. M. S. Davis, 1607 10th Ave., N. Nashville, Tenn., writes:

"After having been a constant sufferer from catarrh for more than twenty years and after trying almost every remedy advertised, and having lost all hope, I very reluctantly began the use of Peruna about two years ago. Everybody says I look younger now than I did twenty years ago, and I actually feel younger and better, and weigh more. I am recommending it to my neighbors and all with whom I come in contact."
