**A CARD TO THE PEOPLE OF FRANKLIN COUNTY.**

We are glad to inform the people of this county that we have procured the agency for Franklin County of those great Indian Remedies of Dr. White Eagle, who in Louisburg recently, demonstrated their unquestionable value as a curative of most of the ailments affecting the human system.

Of the hundreds of bottles that we have sold and have been taken by as many people, we have yet to hear of a single case that has not been benefited by its use, while many have been almost miraculously cured of stomach, liver and kidney troubles, also worms and tape worms.

It has been our rule never to recommend any patent medicine to our patrons until we have known it to have been tried and proven beneficial as a medicine for suffering humanity, consequently our entire stock of medicine is composed of the best that science, skill and reputable manufacturers can make. Now we offer you Dr. White Eagle's Senna-Tone and other remedies, made from herbs, roots and barks gathered from the hunting grounds of the Indians of the West and from formulas used by their medicine men and women, who knew no chemicals or narcotics, consequently by their use they live longer than any other people on earth. Many of them living to be 100 to 130 years old and a few even older.

Our Mr. G. L. Aycock has been serving you in the drug business for over twenty-five years, whose aim has been and always will be to sell you to treat every person honorably, and honestly, knowing well the unchangeable laws of nature that, "Whatever you sow, you shall also reap; and whatever you deal to your fellowman, it will be dealt back to you."

With highest appreciation for your confidence we hope to see you often, we remain

Your friends,

# Bitter or Better Baking

A letter makes a great difference in a word. A word makes a great difference in baking powders.

If the little word "alum" appears on the label it may mean *bitter* baking.

If the word ROYAL stands out bold and strong, it surely means BETTER baking.

This is only one reason why it pays to use

## Royal Baking Powder

*Absolutely Pure*

Made from Cream of Tartar derived from grapes
