

One of the Interesting Exhibits Shown at the Methodist Centenary Celebration

To prove that his soul is above worldly troubles and physical pain, this Hindu fakir nonchalantly reclines on a bed of spikes, much to the amusement of less spiritual observers. The bed of spikes will be one of the interesting exhibits shown at the Methodist Centenary Celebration, in Columbus, O., June 20 to July 13. Whether a fakir, Hindu or otherwise, can be found to demonstrate his power of endurance on it is still an unsettled question with celebration officials.

To Play Great Organ at the Methodist Centenary

MRS. MONTGOMERY LYNCH of Seattle will play the great \$50,000 organ in the presentation of "The Wayfarer," the magnificent pageant of the Methodist Centenary Celebration, in Columbus, O., June 20 to July 13. Montgomery Lynch, her husband, will direct the chorus of 1,000 voices, which is a part of the pageant.

REDUCED FARE ADDS INTEREST

Visitors to Methodist Centenary to Be Well Cared For.

REGISTRATIONS ON INCREASE

Housing Committee of the Celebration Have More Than Forty Thousand Rooms in Private Homes at Their Disposal, Where Those Who Attend Can Be Lodged as Comfortably as at a Hotel.

Announcement by the government that a special low rate of one and a third fares for the round trip has been authorized for the celebration, Columbus, O., June 20 to July 13, has tremendously increased the interest in that event and advanced manifold the inquiries and registrations coming from all parts of the United States. At headquarters the other day a single mail brought cash registrations from 14 separate states and South America.

The low rate has increased work for the special committees, which are responsible for housing the large influx of visitors now seen to be certain. Accommodations fall into three classes:

First, the hotels, which have an average daily capacity of 5,000 visitors.

The second field of accommodation will be in public buildings, which have been specially fitted up for this sort of service for the celebration. These include the State School for the Blind, the State School for the Deaf, the large barracks which were provided at Ohio State university for the student army training corps, and other buildings of a similar nature held in reserve should the throng exceed even present generous expectations.

The third line of convenience for the hospitality of Columbus is in the homes of the citizens themselves. More than 40,000 rooms have been listed with the housing committee, and these are card indexed by location, telephone number and best means of access. Visitors to the Celebration can be lodged as comfortably as a clerk at a hotel assigns a visitor to his room. In order that there might be no misunderstanding, the committee in charge has a uniform rate for accommodations in private dwellings. The charge will be

COOK-TULL

Invitations reading as follows have been received by friends in Louisville: Mr. and Mrs. George Wall Tull request the honor of your presence at the marriage of their daughter Alice Kennedy to Mr. George Le Roy Cooke Wednesday evening, the 11th of June at seven o'clock Gordon Street Christian Church Kinston, North Carolina

The bride is one of the most accomplished young ladies and is deservedly popular among a large host of friends both at home and abroad. The groom is one of Franklinton's most successful and responsible young business men. Until 1917 when he was called into the service of his country and made an enviable reputation in France as Captain of Company F, he was closely identified with Franklinton's business life, being connected with the bank, mercantile business and insurance business. He is a descendant of one of the County's oldest and most esteemed families and is himself very popular among a large number of friends.

The coming event will be of much interest to a large circle of friends and relatives.

BARBECUE DINNER

On Saturday May 24th the home of Mr. C. W. Nowell near Flat Rock church was the scene of much merriment and good cheer when his friends and neighbors gathered together to partake of the bountiful dinner. While the pigs were being barbecued Messrs. Ira McGhee, T. W. Cooke and Wiggins seized his fish ponds catching lots of nice fish which were taken to the house and cooked. A table had already been prepared out under the

spacious oaks in the well kept yard, the neighbors each brought a basket of breads, cakes and pickles. The writer has never seen a nicer table of food anywhere. There were about 85 people present. Could easily have fed as many more. In the afternoon the children played games while the older people enjoyed music furnished by the Victrola and Mrs. Belle Harris. Mr. Dock Dickerson's daughters and others sang several pretty songs. All too soon the hour came for parting each declaring they had spent a pleasant day and hoping they will have the pleasure of attending another soon.

Those present were Mr. and Mrs. J. B. Davis, of Northside, Mr. and Mrs. Jim Nowell, Mr. and Mrs. Carter, Mr. and Mrs. Alford and Messrs. Alford and Willie Carter, of Bunn, Mr. and Mrs. Bill Nowell, Mr. and Mrs. Harris, Mr. and Mrs. Dickerson and daughters, Misses Lucy, Lois and Blanche and Mr. Vaughan, of Franklinton and his neighbors.

RESOLUTIONS.

Whereas God, our Heavenly Father, in His infinite wisdom has removed from our church and community, our friend and co-worker, Mrs. Mattie C. Timberlake, Mrs. Timberlake passed away Tuesday, April 15, 1919, at her home in Youngsville after a short illness

Whereas her loyal and faithful service as a member of the Missionary Society and Sunday School of the Youngsville Baptist Church, makes it eminently fitting that we record our loss and appreciation. Therefore be it resolved:

(1) That while we miss from our meetings the bright cheerful face and wise council of our beloved friend, we will bow in humble submission to God's will.

(2) That the removal of an active

member from our midst, leaves a sad vacancy that will be felt by every member of the Missionary Society and her class in Sunday School.

(3) That we extend to every member of her family our sympathy, praying that God's Spirit may comfort them and that they may follow in the footsteps of the Savior even as she.

(4) That a copy of the resolutions be sent to the family, a copy to the Biblical Recorder and Franklin Times, and copies be placed upon the records of our Society and Sunday School.

POTATO INSPECTION BEING ARRANGED.

West Raleigh, N. C., June 4.—Dr. W. R. Camp, Chief of the Division of Markets of North Carolina Extension Service, is at present making a trip to Beaufort, Wilmington, Chadbourn, Warsaw, Calypso, and other points, for the purpose of appointing experienced young men to inspect the grading of potatoes at all of the leading loading points in Eastern North Carolina. He has secured some excellent workers, some of them recently discharged from the army, who are experienced in growing potatoes, and who have the necessary ability and character to hold potato shippers to the grades recently established by the North Carolina legislature.

These inspectors are required to pay a license fee of \$2, and after appointment have the authority to issue certificates of grade to go with each car of potatoes inspected, for which service they will collect a fee of \$2 a car from the shippers. Notification of this inspection has been sent to all jobbers and receivers in the leading

consuming market points, so that North Carolina is now being well advertised for shipping the leading grades of Irish potatoes.

Those growers who wish to have their cars inspected are filing applications for inspection with these local men.

Inspection officers are now located at Elizabeth City, Washington, Aurora and Mount Olive. From these points, supervising inspectors will go about to the different loading points, aiding buyers and growers in having their potatoes properly graded. Those growers who do not wish to grade their product can make shipment as "field-run" potatoes, but where any grade at all is made this must be done according to the standard which has been established by law. According to Dr. Camp, the more completely this new law is enforced, the greater will be its value to farmers in that they will receive a better price for their product than heretofore.

For the Elizabeth City section, those loading points in Currituck, Camden, Pasquotank, Perquimans and Chowan counties will be included. In the Aurora section, Pamlico, Craven, Carteret and Beaufort County south of the Pamlico River, will be included. Tyrrell, Washington, Pitt, Lenoir and Beaufort north of the Pamlico River will be included in the Washington section. Wayne, Duplin, Fender, New Hanover, Brunswick and Columbus counties will be included in the Mount Olive section.

WANTED—POINTER OR SETTER
Puppy from one to six months old. Must come of good stock. J. E. MALONE, JR., Louisburg, N. C. 6-6-19

COOK WANTED—NICE COMFORTABLE
home on lot for competent cook. All conveniences. Good wages. R. N. SIMS, Raleigh, N. C., 6-6-19

MONSTER SCREEN AT METHODIST CENTENARY

Special Lantern Devised For Throwing Pictures.

Finishing details are being placed on the arrangements for the erection of the largest screen for the projection of pictures ever built in the world. This is to be one of the features of the Methodist Centenary Celebration, to be held in Columbus, June 20 to July 13.

This monster screen will have a surface for pictures 115x115 feet. The actual structure will be several feet larger in each direction. A special lantern has been successfully devised for throwing these tremendous pictures the necessary distance. The screen will be 250 feet from the nearest spectator and will be built to withstand 40 pounds pressure to the square foot. The lantern which will project these pictures has already successfully thrown pictures on a screen in New York City across a distance of four and a half city blocks. According to Architect Harry C. Holbrook, the screen will be, in effect, three sides of a house. It is necessary to give it the foundations equivalent to a four-story building.

In order that there may be as much salvage as possible after the screen has served its purpose, the picture face will be of fitted lumber, which later will be treated with a white surface preparation.

The estimated cost of this screen will be \$2,000. The screen and the lantern will be used in showing the tens of thousands of views, made all over the world by the Methodist Missionary Survey, which has the finest collection of pictorial reviews anywhere in the world.

Columbia Professor in Charge of Exhibits at Methodist Centenary

PROFESSOR LAMONT A. WARNER of Columbia university is director of the arts and designer of exhibits and scenery for the Methodist Centenary Celebration, in Columbus, O., June 20 to July 13. On plans which he laid down, the multitude of exhibits, domestic and foreign, have been arranged in the buildings in scenic effects, making them at once appropriate and effective. Professor Warner had charge of world exhibits held in Boston, Chicago, Baltimore and Providence in past years, and has studied and worked abroad.
