

THE MOST DANGEROUS DISEASE

No organs of the human body are so important to health and long life as the kidneys. When they slow up and commence to lag in their duties, look out! Find out what the trouble is—without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, or have pains in the back—look up at once. Your kidneys need help. These are signs to warn you that your kidneys are not performing their functions properly. They are only half doing their work and are allowing impurities to accumulate and be converted into uric acid and other poisons, which are causing you distress and will destroy you unless they are driven from your system.

"BAYER CROSS" ON ASPIRIN

Always Ask for Genuine "Bayer Tablets of Aspirin"

Only Aspirin Tablets with the safety "Bayer Cross" on them are genuine "Bayer Tablets of Aspirin," owned and made by Americans and proved safe by millions of people. Unknown quantities of fraudulent Aspirin Tablets were sold recently by a Brooklyn dealer, which proved to be composed mostly of Talcum Powder.

"Bayer Tablets of Aspirin" should always be asked for. Then look for the safety "Bayer Cross" on the package and on each tablet. Accept nothing else! Proper directions and dosage in each Bayer package.

Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.

TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts your liver without making you sick and can not sllivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is "personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver stagnation and constipation, you have only to ask for your money back."

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tons instead and feel fine, full of vigor and ambition.

It is harmless and never irritates.

"How We Cleared Our Summer Home of Rats," by Mrs. Perry.

"When we opened our seaside home last May, it was alive with rats. They gnawed all the upholstery. We cleaned them out in a week with RAT-SNAP. I prefer this rat killer because it comes in cake form, no mixing. Saves dirtying hands and plates." Three sizes 25c, 50c, \$1.00. Sold and guaranteed by ALLEN BROS. CO.

To Holders of Second Liberty Bonds

"Holders of Second Liberty Loan Bonds can make no better use of the interest payment they will receive than to turn it into Thrift and War Savings Stamps." "By so doing, they can make their interest keep on making more interest for them and they will be investing the proceeds of their patriotism in patriotism."

"There were more than 400,000 persons of corporations in the Fifth Federal Reserve District, who invested in the Second Liberty Loan, 454,002 to be exact. Each one of these will reap an interest crop. By sowing it back into War Savings Stamps, that interest is kept growing. If occasion arises and you need what you have invested, War Savings Stamps are always cashable at the postoffice on ten days' written notice.

"The Treasury Department is urging that all persons who possible can, reinvest their interest coupon in Thrift and War Savings Stamps. Second Liberty Loan Bond coupons may be exchanged for Thrift or War Savings Stamps at this bank or at the postoffice. Keep your dollars working."
