CENTENARY.

The Centenary movement in Franklin County and at Louisburg Methodist Church in particular, was a great success. The entire campaign passed off smoothly and in good time, showing splendid team work among the many workers and the most united cooperation among the members. The Louisburg church was allotted \$15,500.00. The amount subscribed by the membership was \$15,697.50. The church had a credit of \$5,875.00. Taken all together it has a credit in the big drive of \$21,742.50.

Rev. G. F. Smith, pastor and the several church officers extend their appreciations to the many who gave assistance and subscriptions so liberally in this movement.

CHILDHOOD DAYS WERE DARKENED

Little Girl Was So Irritable That Those Who Should Have Been Her Playmates Avoided Her.

There is nothing so pitiable as a child whose days are saddened by ill health as was the case with little Sally Phipps, daughter of Mrs. G. H. Phipps, 327 South Street, Durham, who describes her playmates' condition.

Sally, who is now nine years old, was, with other playmates, in a playland state that all was a laughing and a shouting and a merry time. She was so irritable that the other children avoided her. This was due to the fact that her condition was such that she was unable to play with them. Her mother, Mrs. Phipps, who is a devoted mother, was very anxious to see her child well and happy.

Pleasure Hours Coming

VACATION TIME: the lure of the open country, the call of the ocean-swept sands, the beckoning of the mountains and the appeal of the green-clad hills—they all speak promisingly of days loaded with pleasure, just ahead—hours unalloyed by any thought, care or worry of work to be done.

Certainly vacation is a time that spells new clothes. When you look back over those photographs—maybe with her—you'll want to feel that you were suitably dressed.

Health Insurance

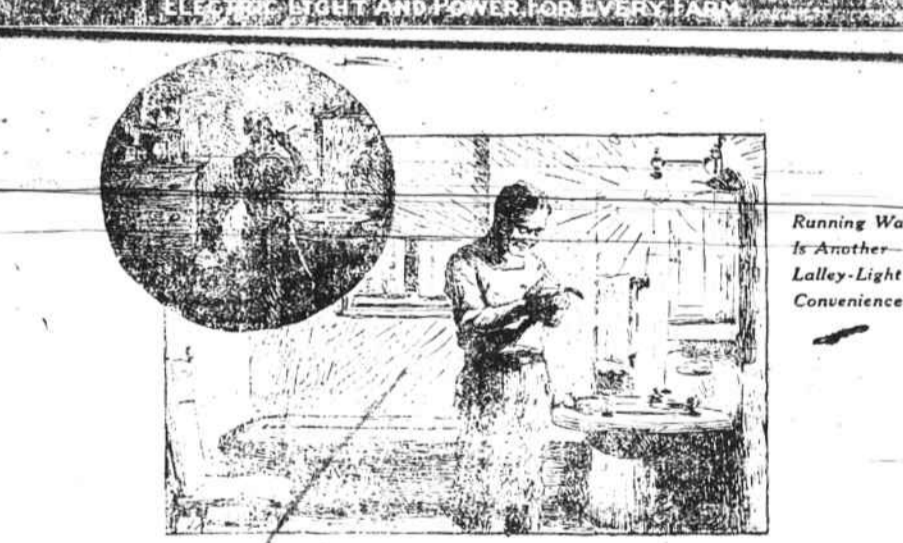

One of the distinctive qualities of food baked with Royal Baking Powder is wholesomeness.

This is health insurance of such vital importance that millions of women bake at home just to be sure that Royal Baking Powder is used.

Remember the adage—'Bake it with Royal and be sure'

LALLEY-LIGHT

Better Light at Lower Cost

Lalley-Light actually costs less than poorer light. It costs less because of the time it saves and the labor it saves. It costs less because it gives better light for after-night work.

Because it makes the house more cheerful and bright, it saves the wear and tear on the walls and furniture. It saves the money that would be spent on other lighting.
