A POPULAR GIRL WAS MADE HAPPY

Her Life Was Far From Pleasant Until She Made a Discovery That Changed Things.

This is a story of how Miss Marie Doggett, a well known Charlotte young lady, living at 912 N. Tryon St., was quickly transformed from a highly nervous, sick and underweight woman to a healthy, happy being. Miss Doggett says:

"I suffered from stomach trouble and catarrh for more than a year and began to lose weight. I was nervous, could not sleep at night and my skin was sallow and blotchy. I began to imagine that my condition was chronic and brooded over this. I lost all ambition and wanted to be left alone. I know of the benefit my mother had obtained from Peplac and decided to try it. I began to improve almost immediately. I no longer had pains after eating; slept soundly and gained in weight. Catarrh is gone and I am full of energy, and so anxious to let everyone know what Peplac did for me that I gladly make this statement."

Peplac is sold and recommended in Louisburg at Scoggins Drug Store; Winston-Blanks Drug Co., Youngsville; T. E. Holding Wake Forest; and W. W. Parker at Henderson. Buy a bottle today it has helped others and will do the same for you.

The Quinine That Does Not Affect The Head Because of its tonic and laxative effect. LAXATIVE BROMO-QUININE (Tablets) can be taken by anyone without causing nervousness or ringing in the head. E. W. GROVE'S signature on box. 30c.

A Joiner.

"Didn't you say you were something of a bolshevist?"

"Yes. But I'm cured. You see, I used to be one of these people who wanted to join every new society that came lanog."

Mr. Vaughan, Farmer, Tells How He Lost All His Prize Seed Corn.

"Sometime ago I sent away for some pedigreed seed corn. Put it in a gunny sack and hung it on a rope suspended from roof. Rats got it all—how beats me, but they did because I got 5 dead whoppers in the morning after trying RAT-SNAP." Three sizes 25c, 50c, \$1.00. Sold and guaranteed by Allen Bros. Co.

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These valuable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

CALOMEL DYNAMITES A SLUGGISH LIVER

Crashes into sour bile, making you sick and you lose a day's work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker

than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.

To Keep From Starvation.

"Are you getting enough of the food?"

"Just about," the summer boarder somewhat ambiguously replied.—Judge.

Moderate Circumstances.

"How about the people who have just moved in next door?"

"They seem to be fairly well off. I should call them a fifty record family."

"What do you mean?"

"I was referring to their supply of canned music."—Birmingham Age-Herald.
