KEPT HER AWAKE

The Terrible Pains in Back and Sides. Cardui Gave Relief.

Marksville, La.—Mrs. Alice Johnson, of this place, writes: "For one year I suffered with an awful misery in my back and sides. My left side was hurting me all the time. The misery was something awful.

I could not do anything, not even sleep at night. It kept me awake most of the night... I took different medicines, but nothing did me any good or relieved me until I took Cardui...

I was not able to do any of my work for one year and I got worse all the time, was confined to my bed off and on. I got so bad with my back that when I stooped down I was not able to straighten up again... I decided I would try Cardui... By time I had taken the entire bottle I was feeling pretty good and could straighten up and my pains were nearly all gone.

I shall always praise Cardui. I continued taking it until I was strong and well." If you suffer from pains due to female complaints, Cardui may be just what you need. Thousands of women who once suffered in this way now praise Cardui for their present good health. Give it a trial. NC-133

SOUTHERNERS PLAN RECONSTRUCTION

IN EUROPE—WORK IS TO BE OPENED IN BELGIUM AT ONCE

Commission Abroad To Study the Situation.—Extensive Program is Planned—Church Busy in Other Lands.

Nashville Tenn. (Special Correspondence.)—On August 29th a commission composed of Bishop James Atkin, of North Carolina, John R. Pepper, of Tennessee, Dr. Belle H. Bennett, of Kentucky, and Mrs. Luke G. Johnson, of Georgia, sails for Europe to arrange for the opening of extensive religious and philanthropic work in Belgium, France and other war-torn countries.

They represent the Centenary Commission and the Board of Missions of the Methodist Episcopal Church, South, which have set aside \$5,000,000 of Centenary funds for religious reconstruction in Europe.

They go with authority to purchase property and open work at once in Belgium and to make a careful survey of the needs in other countries and recommend an adequate program. Orphanages, schools, social centers, religious literature and direct evangelism will be the methods employed.

In some of the countries to be entered the work will be conducted in co-operation with the Methodist Episcopal Church, which is already operating in France, Italy and the Balkans, and is planning to expand its work greatly as a result of the Centenary, which in the two churches brought missionary pledges aggregating more than \$150,000,000.

METHODISTS REVIVE ANCIENT CUSTOMS

TWO AND ONE-HALF MILLION MEMBERS TO OBSERVE DAY OF FASTING AND PRAYER.

Centenary Commission Starts Movement to Establish 100,000 Family Altars—Following the Plan of Old Circuit Riders.

Nashville Tenn.—The Centenary Commission of the Methodist Episcopal Church, South, has named August 29th as a special day of fasting and prayer for the two and a half million members of the church. The Commission has also started a movement to establish 100,000 Family Altars, by having that many homes pledged to observe daily devotions.

This is the revival of ancient customs in the church. It is the part of an intensive campaign which the church has launched in connection with the spiritual side of the Centenary program of the Centenary Movement, through which the Methodists raised \$50,000,000 in an eight-day drive last May.

The object of the present campaign, as stated by Rev. S. A. Nebbett, Secretary of the Department of Spiritual Resources, is to enroll at least 40% of the church members in the prayer league known as the Fellowship of Intercession, to establish 100,000 Family Altars, and to assist in finding a thousand young people to go abroad as missionaries.

August 24-31 is known as Enlistment Week. During this period the seven thousand pastors will urge their members to join the Fellowship of Intercession, to establish Family Altars, and to observe the day of fasting and prayer.

JAPAN TO MODIFY KOREAN RULE.

So Predicts Dr. S. E. Hager, 25 Years a Southern Methodist Missionary in The Orient.

Nashville, Tenn.—That Japan will moderate her rule in Korea is the prediction of Dr. S. E. Hager, recently returned missionary of the Methodist Episcopal Church, South. Dr. Hager has spent more than a quarter of a century in Japan doing religious work.

"Japan is learning that her success in giving good government to Korea is fraught with difficulties, and that tolerance and good will must take the place of harsh and severe methods."

"The military leaders aim mainly at making their rule thorough and permanent, and naturally there is great temptation to the man of the sword to make his rule severe."

"But democratic ideas are growing in Japan, and more temperate treatment of the subject race will come about."

Dr. Hager says the Christian missionaries in the Orient are elated at the success of the Centenary movement, through which the church raised \$50,000,000 for missionary work in all lands.

Millions of this will be spent in the Orient. Hundreds of new missionaries will be sent and there will be a great advance movement in medical work, education and evangelism.
