LIFT OFF CORNS!

Apply few drops then lift sore,
 touchy corns off with
 fingers

Doesn't hurt a bit! Drop a little
 Freezone on an aching corn, instantly
 that corn stops hurting, then you lift
 it right out. Yes, magic!

A tiny bottle of Freezone costs but a
 few cents at any drug store, but is suf-
 ficient to remove every hard corn, soft
 corn, or corn between the toes, and the
 calluses, without soreness or irritation.

Freezone is the sensational discov-
 ery of a Cincinnati genius. It is won-
 derful.

**FRANCE'S FAREWELL
 TO GEN. PERSHING**

Newspapers Land And Andre Tardieu
 Says He Will Never Forget Him.

Paris, Aug. 31.—This morning's Paris
 newspapers devote much space to
 cordial and appreciative articles bid-
 ding farewell to Gen. Pershing, who
 yesterday received representatives of
 the French press and bade them formal
 good-bye. In addressing the newspaper
 men the general expressed his
 affection for and admiration of
 France and said he felt sure that the
 struggle France and America had waged
 together would serve to cement the
 friendship of the two nations.

During the reception Gen. Pershing
 was asked what had been to him the
 most poignant moment of the war. At
 an instant's reflection he replied:
 "It was when the armistice was
 signed. It was then we knew the vic-
 tory was ours and that our dead had
 not died in vain."

When asked about his plans for the
 future Gen. Pershing responded: "I
 haven't any. At all events don't at-
 tribute any to me."

Warm tribute was paid to Gen. Per-
 shing today by Andre Tardieu, head of
 the general commission of Franco-Amer-
 ican war matters.

"Frenchmen will always remember
 this commander who, with Poch, Pe-
 tain and Haig, brought about the de-
 feat of Germany and liberated our
 soil," Capt. Tardieu said. "I, who on
 so many occasions for two years col-
 laborated with him, will never forget
 the high qualities of integrity, firm-
 ness, intelligence and good heartedness
 that he displayed. It is a great friend
 of ours who leaves us. He will re-
 main constantly in the thoughts of all
 of us and personally I shall always re-
 tain a deep affection."

INITIATIVE AT HENDERSON.

The awakening of public conscience
 and the desire to supplant vice, by
 wholesome recreation, have resulted
 in an effort to establish a Community
 Center—a common-to-all gathering
 place for social intercourse, healthful
 amusement, and for educational activ-
 ities.

It is proposed to buy the old Baptist
 church and grounds, and to use them
 for the uplift and joy of the commu-
 nity. We look to the time when the
 center will be equipped with a library,
 reading room, a gym-

SOLDIERS USE MACHINE

ON THE NEGRO MOB

Knoxville, Tenn., Aug. 31.—Follow-
 ing storming of the Knox county jail
 Saturday night by a mob bent on re-
 reaching Maurice Mayes, a negro arrest-
 ed early in the day in connection with
 the murder of Mrs. Bertie Lindsey, a
 race riot of serious proportions started
 shortly after midnight Sunday morn-
 ing.

Soldiers of the fourth Tennessee na-
 tional guard turned a machine gun on
 a crowd of armed negroes at Vine and
 Central avenues after a battle between
 whites and blacks in which two ne-
 groes were killed. Four negroes fell
 under the machine gun fire. Firing
 continued and it is impossible to tell
 how many have been killed or wound-
 ed. Seven men, all white, are wound-
 ed in local hospitals as the result of
 the trouble at the jail and subsequent
 rioting.

Lieutenant Magney and Private Hen-
 derson, both of machine gun A com-
 pany, fourth Tennessee national guard,
 were killed at 12:40 a. m. It is said
 both were slain by bullets from their
 own command.

All hardware stores and pawnshops
 have been looted to secure arms.

Despite assurances that the prisoner
 had been removed to Chattanooga
 and inspection of the jail by three se-
 parate committees of citizens, the mob
 stormed the Knox county jail in search
 of Maurice F. Mayes, a negro who had
 been arrested as a suspect in connection
 with the murder of Mrs. Bertie Lind-
 sey early this morning.

In a series of fights between depu-
 ty sheriffs, police officers and militiamen
 and members of the mob in the jail
 corridors and outside the building,
 several men were wounded.

Early in the evening it became ap-
 parent that the deputies and police-
 men on duty at the jail would be un-
 able to cope with the situation and a
 call was sent for soldiers from the
 fourth Tennessee national guard which
 is holding its encampment here. Two
 squads were rushed to the jail in a
 motor truck. The disorder reached
 its height with their arrival and mis-
 siles of all kinds were hurled, while
 fist fights were numerous, and prom-
 isuous shooting outside the jail be-
 gan. The guardsmen were soon stren-
 gthened by the arrival of a full com-
 pany and it became pos- sible then to
 clear the jail corridors and yard.

Mrs. Lindsey was shot to death in
 her home at 2:30 Saturday morning as
 she was preparing to leap from a win-
 dow to escape a negro. Her niece,
 who was sleeping with her, was threat-
 ened by the same negro. The two wo-
 men were alone in the house.

Fearing possible violence, Sheriff
 Cate took Mayes to Chattanooga by a
 roundabout way this afternoon.

Going to Be Married.

My husband and I went to a strange
 town to be married, and after we got
 off the car we asked a man the way
 to the courthouse. He told us where
 to turn after so many blocks and we
 started out and arrived at the jail.
 Wonder if he was married, too?—Chi-
 cago Tribune.

Many a man has been held down when Opportunity
