CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadowville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before. I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape."

I cannot say too much for Black-Draught for it is the finest laxative one can use. Theford's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it. NC-125

CANNING CLUB PICNIC

A GLOBE'S SUCCESS

WENT THROUGH

Under Supervision of Home Demonstrating Department—Held at Justice—Programme of Weeks Work And Entertainment.

By far the most interesting and instructive school ever held in the county for club girls was held at Justice beginning Monday 25 and ending Friday 29. Franklinton, White Level, Seven Paths, Justice, Cedar Rock, Sandy Creek, Pine Ridge and Mitchiner clubs were represented. Through the kindness of Mr. J. C. Bowden, the girls and chaperones were furnished with a six-room bungalow fitted out with all necessities.

Some of the best teachers in the county were among the chaperones. The camp teachers were Misses Ernestine Hayes, Bessie High, Pauline Smith and Rev. T. D. Collins. The mornings were devoted to lessons, leaving the afternoons and evenings open for wholesome recreation. Miss High, a splendid nurse, who formerly has had charge of the operating room at the James Walker Memorial Hospital, Wilmington, gave lessons on home nursing and personal hygiene. During the series of lessons, she demonstrated the correct method of bed making, cleaning bed linen under sick, changing patient's linen, various baths bandaging, broken and sore limbs, use of hot water bottle, ice cap, fever thermometers, shampoo, care of nails, etc. The course in Play Ground games and Story Telling by Miss Hayes was very good. The demonstrations "How to conduct an interesting Young Peoples Prayer Service" and "Program for a Young Peoples Social" prepared by Miss Hayes deserve especial mention. Classes were held in the Justice High School building and in the living room of Mrs. W. Taft.

The people of the neighborhood extended the girls every courtesy and hospitality. Mr. J. C. Bowden and Mrs. Taft helped in every way possible to make the school a perfect success. Each one who was fortunate enough to be present says it was perfect. The young men sent their cars on every occasion their cars were needed. They kept the campers in melons, Messrs. P. S. & K. K. Allen sent complimentary tickets for the movies. On Thursday evening as a climax to the fun a ride was arranged ending with a most enjoyable chicken fry given by Mr. Bowden.

The following program was followed:

"FAKE" ASPIRIN WAS TALCUM

Therefore Insist Upon Genuine "Bayer Tablets of Aspirin"

Millions of fraudulent Aspirin Tablets were sold by a Brooklyn manufacturer which later proved to be composed mainly of Talcum Powder. "Bayer Tablets of Aspirin" the true, genuine, American made and American owned Tablets are marked with the safety "Bayer Cross." Ask for and then insist upon "Bayer Tablets of Aspirin" and always buy them in the original Bayer package which contains proper directions and dosage. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.
