WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood they work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—which vary widely but may include pain in the back, headache, nervousness, hot, dry skin, rheumatic pains, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right the danger is overcome. Doan's Kidney Pills have proven an effective kidney medicine.

J. Lehman, Prop. of shoe repair shop, Louisburg, says: "A few years ago I was troubled with pains across the small of my back and it annoyed me a whole lot. When I would sit down, I could hardly get up and I was bothered by the way my kidneys acted. My head bothered me, too and I had a continual, tired feeling. Hearing a great deal of Doan's Kidney Pills I decided to take them and can say they certainly brought me wonderful relief."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lehman had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.
