He chuckles and his smile is bland.
With joy he'd like to holler;
His wife went thru his pockets, and
She overlooked a dollar.

Entered at the Post Office at Louis-
burg, N. C., as second class matter.

Prices on tobacco have advanced
since the opening, some averages go-
ing as high as 68 cents.

The people of North Carolina more
than admire Senator Simmons, but if
it is true he has lined up with the re-
publicans on the peace treaty, they
won't think much of that.

President Wilson is winning much
favor for the Peace treaty in his trip
around the country, declaring that it
will bring about a new world order of
things that will prove of advantage to
everybody.

If the Republican Senators and
Congressmen could realize what the
"folks back home" thought of them
for their actions in regard to the peace
treaty—Well they would at least pass
it in a whoop.

New York is doing the right thing in
its reception of General Pershing. To
no one more than he, except it be the
boys who were in the trenches, are
the American people entitled to show
their appreciation.

Evidently the Northern and West-
ern republicans have it in for the
South. If they would stop their fool-
ishness and ratify the peace treaty the
prices of cotton and other commodi-
ties would go to their right level.

Solicitor H. E. Norris and Clerk
of the Court J. J. Barrow are to be
congratulated upon setting a calendar
for the trial of the criminal cases in
the next term of Franklin Superior
Court. By this action the county
treasury will save large sums of mon-
ey in witness fees and the individuals
will save lots of time by not attend-
ing Court only on the days called.
This is a practice that should have
been put into effect some time ago.

MISPLACED—We have loaned to
some one who has failed to return
same or misplaced the chart of Oak-
lawn Cemetery. We will be glad
for all who might have borrowed it
to make a close search for and re-
turn it to us if found. A liberal re-
ward will be paid to the finder of
the chart, if lost, upon returning
same to us. It is very important
that we have this at once and will
appreciate immediate action. W.

STRENGTHEN CHURCH WORK

Special Effort of Denomination Along
General Lines Will Be Enlarged
And Made Stronger As Result
Of This Campaign.

Every general interest fostered by
Southern Baptists will be strengthened
and enlarged through the success of
the Baptist 75 Million Campaign which
is now well under way, and which will
reach its climax in the final drive to
secure this sum in cash and subscrip-
tions during the eight days of Novem-
ber 30 to December 7. A period of five
years' will be provided for the final
payment of these subscriptions but
for the campaign to succeed, the sum
of \$75,000,000 must be subscribed
within the eight days. Many have ex-
pressed the belief that the subscrip-
tions will run to \$100,000,000.

At a meeting of the Executive Com-
mittee of the Southern Baptist Con-
vention the \$75,000,000 to be raised was
apportioned among the general inter-

Campaign.

ests fostered by the Convention, as fol-
lows: Foreign missions, \$25,000,000;
home missions, \$12,000,000; christian
education, \$20,000,000; state missions,
\$11,000,000; ministerial relief, \$2,500,
000; orphanages, \$4,700,000; and hos-
pitals, \$4,125,000.

The apportionment of this sum
among the several states within the
territory of the Convention has been
announced as follows: Alabama, \$4,
000,000; Arkansas, \$3,200,000; District
of Columbia, \$200,000; Florida, \$1,000,
000; Georgia, \$7,500,000; Southern Il-
linois, \$1,200,000; Kentucky, \$6,500,
000; Louisiana, \$2,000,000; Maryland,
\$750,000; Mississippi, \$3,350,000; Mis-
souri, \$2,925,000; New Mexico, \$250,
000; North Carolina, \$6,000,000; Okla-
homa, \$2,250,000; South Carolina, \$5,
500,000; Tennessee, \$4,600,000; Texas,
\$16,000,000; and Virginia, \$7,000,000.

Here is what this big sum of money
will help Southern Baptists do for the
Master, as set forth by the Campaign
Commission:

"It will equip more adequately and
multiply manifold the 1,000 missionary
workers of the Foreign Mission Board,
and the more than 2,000 Home and
State Board Missionaries.

"It will enlarge and raise to a better
efficiency the 132 Baptist schools in
the South.

"It will go far towards meeting the
expanding needs of the Southern Bap-
tist Theological Seminary and the
Women's Missionary Training School
in Louisville, Ky., the Southwestern
Baptist Theological Seminary and
Women's Training School in Fort
Worth, the Baptist Bible School in
New Orleans, La., a Theological Sem-
inary for the Negroes, and will provide
a first-class college for boys and girls
of the mountain region.

"It will increase greatly our hospital
service to the sick, open wider our
arms to the orphans and provide a
strong support for our aged ministers
of the gospel.

"It will put Southern Baptists in po-
sition to assume a considerable share
in the reconstruction of war-torn Eu-
rope, and embrace many of the marvel-
ous opportunities for service which
thrust themselves upon us from all
parts of the world, at home and
abroad."

While \$20,000,000 of this sum will
go to foreign missions and thus be
expended in carrying the gospel and
its blessings to other lands, the re-
maining \$55,000,000 will be expended
at home in building up home mis-
sionary, educational and benevolent in-
stitutions and projects, of which there
are a number in every state within the
boundaries of the convention.
