CHEAP for CASH or ON TIME

West Nash St. **G. W. FORD & SON** Louisburg, N. C.

EVER SALIVATED BY CALOMEL! HORRIBLE!

Calomel is quicksilver and acts like dynamite on your liver.

Calomel loses you a day! You know what calomel is. It's mercury, quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

A little giving judiciously administered often makes a weak man strong.

The experience a man buys is always delivered a little too late.

Some of the longer term school have opened in the county and the shorter term ones will soon be opened and as the season advances there will necessarily be some children who will have to be temporarily excused from attending school to assist in housing the crops.

While it is hoped that applications for permits to keep the children at home will be few I have arranged the following schedule for the convenience of those who are compelled to keep their children at home temporarily and I will be at the following places on the days and at the hours mentioned:

Franklinton, Tuesdays from 2:30 to 4:30 P. M.
 Youngsville, Wednesdays from 2:30 to 4:00 P. M.
 Bunn, Fridays from 2:30 to 4:00 P. M.

I will be in my office in Louisburg in the "TIMES" building on other days.

Any parent wishing to have their child temporarily excused from attending school may see me at these places on the days mentioned.

The Compulsory School Attendance law is very strict regarding these excuses and the presence of the child at home must be absolutely necessary before a permit may be obtained.

All children of the compulsory school age, that is from 8 to 14, are required to attend school every day it is in session unless excused by the teacher, Board of Education or the Supt. of Public Welfare, and parents are advised not to keep their children from school unless they have a written permit from one of the above mentioned parties, as it will be a violation of the Compulsory School Attendance law and they make themselves liable to prosecution and a fine.

While the Compulsory Attendance law is very rigid in its requirements it is not intended to work unnecessary hardships on any one though there will have to be some sacrifices made.

The law is intended for the best interest of the child and parents should realize that when it seems a little severe on them.

As the different schools open I will be glad to go to each one and explain to the patrons the meaning of the Compulsory Attendance law.

The Usual Way.

"Say, how in thunder do you get out of this condemned town," yowled a motorist who had become excited in a blind lane at the outskirts at Wayoverbehind.

"I don't try to," replied the native.

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value. GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

SUNSHINE BROUGHT TO THIS MAN'S HOME

Made His Wife Happy By Banishing Pain And Restoring Her To Health.

A woman fills the home over which she presides with happiness, radiating sunshine and brightening the lives of those dear to her when she is in good health, but when her physical state is poor it is different, as is the case of the wife of W. J. Mitchell, Eight St., West Durham, who says:

"For some time my wife has suffered from indigestion and rheumatism. She had no appetite; could not sleep and had to be careful of what she ate. I had about given up hope of her health being restored when I heard of what this new medicine, Peplac, was doing, and now she is like a new woman. Before she had finished the first bottle she announced that she was feeling fine and she certainly looked better. Now her appetite has returned, indigestion is gone she no longer has those rheumatic pains. She can eat anything that she wants without fear of her food hurting her, and she sleeps soundly at night." Peplac certainly does the work.

Peplac is sold and recommended in Louisburg at Scoggins Drug Store; Winston-Blanks Drug Co., Youngsville T. E. Holding Wake Forest; and W. W. Parker at Henderson. Buy a bottle today it has helped others and will do the same for you.

Boys! There's a Bunch of 'Live Wires' Who Sell 'Green Flag' Motor Oil in This County

They're right "up-to-the-minute" in everything they do, and that's why they're agents for "GREEN FLAG" MOTOR OIL. I have been using "GREEN FLAG" MOTOR OIL for more than a year, and nothing else, and more than that, I'll drive ten miles out of my way if it's necessary, to get it. I found their advertising honest.

Now I'm doing some "honest advertising" for "GREEN FLAG" myself, by telling you boys where you can "get it!"
