

THE MOST

DAINGEROUS DISEASE

No organs of the human body are so important to health and long life as the kidneys. When they slow up and commence to lag in their duties, look out! Find out what the trouble is—without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, or have pains in the back—wake up at once. Your kidneys need help. These are signs to warn you that your kidneys are not performing their functions properly. They are only half doing their work and are allowing impurities to accumulate and be converted into uric acid and other poisons, which are causing you distress and will destroy you unless they are driven from your system.

"BAYER CROSS" ON ASPIRIN

Always Ask for Genuine "Bayer Tablets of Aspirin"

Only Aspirin Tablets with the safety "Bayer Cross" on them are genuine "Bayer Tablets of Aspirin," owned and made by Americans and proved safe by millions of people. Unknown quantities of fraudulent Aspirin Tablets were sold recently by a Brooklyn dealer, which proved to be composed mostly of Talcum Powder.
"Bayer Tablets of Aspirin" should always be asked for. Then look for the safety "Bayer Cross" on the package and on each tablet. Accept nothing else! Proper directions and dosage in each Bayer package.
Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.
