

**DODSON TELLS THE HORROR OF CALOMEL**

You Don't Need to Sicken, Grip, or Suffer Yourself to Start Liver.

You're bilious, sluggish, constipated. You feel headachy, your stomach may be sour, your breath bad, your skin sallow and you believe you need vile, dangerous calomel to start liver and bowels.

Here's my guarantee! Ask your druggist for a bottle of **Schlitz Liver-Tone** and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day. Take a spoonful of harmless, vegetable Dodson's Liver-Tone tonight and wake up

feeling splendid. It is perfectly harmless, so give it to your children any time. It can't salivate.

Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.
