

THE MOST

DANGEROUS DISEASE

No organs of the human body are so important to health and long life as the kidneys. When they break up and commence to lag in their work, look out! Find out what the trouble is—without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, or have pains in the back—without a moment's delay. Your kidneys need help. They are signs to warn you that your kidneys are not performing their functions properly. They are only half doing their work and are allowing impurities to accumulate and be converted into uric acid and other poisons, which are causing you distress and will destroy you unless they are driven from your system.

"STRUP OF FIGS" IS LAXATIVE FOR CHILD

Look at tongue! Remove poisons from stomach, liver and bowels.

Accept "California" Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless laxative or purgative for the little stomach, liver and bowels. Children love its delicious fruity taste. Pull down the cap. Put one dose on each bottle. Give it without fear. Mother! You must say "California."

Don't whip your wife. If you feel that some one must take a licking, let her punch you. It's better to be a martyr than a beast.

That "flying parson" has one great advantage over his fellows. He knows how to pray when a squall rocks the boat.

To Our Many FRIENDS

We have a very interesting but short story to tell our friends and one that we are proud of, because it goes to prove to the world the confidence and courtesy received at our BANK.

On October 16th last we had a man to call at our Cashier's window and stated that he wished to make a deposit and in his conversation to the Cashier it was learned that it was the first deposit he had ever made in any bank in his life and that he was 65 years old; now friends we are adding new accounts to our list every day and we hope to have yours tomorrow but it gives us great pleasure to see old men as the one mentioned above to see the advantages of banking their money and choosing our institution for same.

Hoping to receive your account, large or small, we remain,

Yours very truly,
