The Coal strike situation has been sufficiently settled that the rigid restrictions have been removed.

If the Federal officers continue their work in Franklin County it will soon be dry here in more ways than one.

Congress has continued the sugar control for another year. Why so busy with the control of sugar and let everything else go wild.

It is again announced that the Government will bring the bodies of our dead Soldiers home. Lets hope the movement will soon start.

It has been held that the War time prohibition law is constitutional and must be enforced. Which leaves a long face on the whiskey dealers.

The United States Supreme Court has held that there can be no peace

until the Senate approves the peace treaty and Peace is declared by the President. Now let the "wise acres" get to work.

SERMONETTE OF TODAY.
 A Series—No. 5.

FORGIVE AND FORGET.

One thousand nine hundred and nineteen years ago a child was born of a virgin mother.

Throughout the years which have flown since this memorable event we have celebrated the birth of that child.

The halo which surrounded its little head has remained fixed in our memories through all the centuries of time, and will continue to be with us until time ceases to be.

This child was the Christ—the son of God—who, as a man, was nailed to the cross, and forgave his enemies who crucified him there.

Another year is drawing to a close, and the lessons learned from this good man are again brought forcibly to our minds at the Yuletide season of our

rejoicing. As Christ forgave his enemies, so let us forgive ours, and forgo, the injustices which they have done us. The harboring of ill will does good to no one. It may do harm to many. But the greatest harm of all is that which springs from a mind of hate and poisons the heart in which it finds lodgment.

It kills the joy of life and fills the road to eternity with impassible barriers, beyond which only the fit in mind and heart may go.

At the Christmas of 1919 let us all forgive and forget, and begin the new year with joy in our hearts and good will toward all people.

For Christ was the teacher of teachers, and his lessons are indelibly stamped upon the pages of time.

- P. T. Ay-scue, three weighing a total of 1050.

A New Bird.

"What has become of the frigate
 "Dunno. I think I saw an automobile bird yesterday."
 "What d'ye mean, automobile bird?"
 "Anyhow, it was honking."

Father's Shooting.

They had hare for dinner, and very proudly mother told little Ada that it had been shot by father.
 "Really!" said the little angel. "And who held it while daddy shot it, mummy?"

Scientists tell us that the world's supply of coal will last for 7,777 years to come. They are wrong. At the present rate of getting it out of the ground it will last for 7,777,777 years.

New Terms.

The best breakfast table was rather dry, especially the piece little Joseph got. He surveyed it in concern for a minute and turned to the maid who was fixing his oatmeal "Milk it, Mary, milk it," he commanded.

Member of Committee Directing Nation-Wide Episcopal Campaign

Rev. Dr. William H. Milton
 The Rev. Dr. William H. Milton, who is a member of the Joint Commission on the Episcopal Nation-Wide Campaign, has been identified with the movement since its inception. St. James Parish, Wilmington, N. C., where he has been rector since 1909, released him temporarily at the request of the Board of Missions that he might head the Editorial and Publication Department in the preliminary organization for the movement. His call came because of his reputation as scholar and author, and because his Church has become the largest per capita giver to missions in the entire Episcopal Church.
 Dr. Milton began his work with the movement in 1905 as a missionary in Nottaway and Lumburg, Va. In 1894 he went to the Henshaw Memorial Church in Baltimore, and five years later to St. John's in Roanoke, Va. The purpose of the Nation-Wide Campaign is to arouse every member of the church to its responsibilities and opportunities in the present crucial era of reconstruction; to send out 1500 new workers that the church may expand its educational, hospital and social service work at home and abroad. More than one hundred thousand men and women are workers in this tremendous campaign.

Enigmatic.

 Son—Well, she can handle the dough all right.
