KIDNEYS WEAKENING?

LOOK OUT!

Kidney troubles don't disappear of themselves. They grow slowly but steadily, undermining health with deadly certainty, until you fall a victim to incurable disease. Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL Haarlem Oil Capsules now. Take three or four, every day until you are entirely free from pain. This well-known preparation has been one of the national remedies of Holland for centuries. In 1896 the government of the Netherlands granted a special charter authorizing its preparation and sale.

The housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. They restore strength and are responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with GOLD MEDAL Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.

The World's Great Fiddler

THE ARKANSAS TRAVELER was not in the same class with NERO, who History declares "Fiddled while Rome was burning." Rome, the greatest city of the Old World, was destroyed while its helpless citizens looked on in despair. They knew that the wiping out of all that they owned meant a loss without a recompense.

YOUR LIVER!
If your liver works all right, the rest of your inside works are apt to be all right—otherwise not so. Then look after your liver, see that it runs "smooth and steady"; that it doesn't get clogged up or skip and throw the whole machinery out of gear.

Dr. Thacher's Liver and Blood Syrup

Is "Liver Regulator, a Blood Purifier, a Laxative and a Tonic of 67 years standing; the prescription of an old family doctor of large practice; a standard remedy for the whole family from the children to the grand parents."
"About three years ago, I was all run down in health, weighed only 104 1/2 lbs., and getting worse every day. I began the use of DR. THACHER'S LIVER AND BLOOD SYRUP, and today I am thankful to say that I'm in perfect health, and weigh 155 lbs., and attribute my good health to the use of that most wonderful medicine—DR. THACHER'S LIVER AND BLOOD SYRUP. My husband joins me in recommending this great tonic.—Mrs. C. E. Chadwick, Ala.

HERE'S COW THAT ATE UP THE DYNAMITE AND THEN—

Government Wouldn't Pay Owner But Congress Proved To Be Klunder.

Washington, Dec. 19.—The cow that burned up Chicago, the cow that jumped over the moon, the cow that raised the fatted calf and the cow that died on the tune—they will have to recognize an addition to their celebrated quartette now.

She's the cow that ate up \$60 worth of government dynamite out in Willard Washington, and made the wheels of Congress go around until her owner got \$60.

The House paused in its consideration of weightier subjects long enough today to pass the necessary bill. Contributory negligence on the part of government road builders who left the sticks of dynamite where Bossy could eat them, won the verdict.

Strangely enough, it did not blow up the cow; it only poisoned her, but it nearly blew up the House of Representatives.

The House evidently enjoyed its little excursion into the field of humor and switched from cows to false teeth.

It passed a bill to pay Michael McGarvey \$35 for a set he lost while working at the Quartermaster's Depot, Governor's Island, last July. The Government Compensation Commission had refused his claim but the House was in a compassionate mood and thought otherwise.

Our wife is one happy angel these days. She has resurrected something she intends to slip into one of the numerous holes in the editorial stocking Christmas morn, and is as contented as a bug in a rug every time we blow up in our wild outbursts of curiosity. Got a wife, young man? Better get one—they're great.

Our very dear friends the Reds do not like the idea of being deported from the United States. Well, we can't say that we banker to see them go. They should be hung instead.

There are certain ambitions in the life of every man, but they are of no avail so long as they are kept bottled up.

FATS FOR ENERGY

It's all too true that many children have a dislike for animal fats, yet the same children will readily take and relish

SCOTT'S EMULSION

This choice is instinctive and is linked up with the fact that Scott's is assimilated when other forms of fat are a disturbing element. Give your boy and girl plenty of energizing and warmth-imparting Scott's Emulsion. It will build them up!

The Norwegian cod-liver oil used in Scott's Emulsion is super-refined in our own American Laboratories. Its purity and quality is unsurpassed. Scott & Bowne, Bloomfield, N.J.
