## I. J. DEITZ COMPANY

"The Store that Always Sells It Cheapest"

LOUISBURG, North Carolina

Exit the old year.  
 Enter the new.  
 Everybody's profiting.  
 And so are you.

The smile that won't come off is of little value to the world. It is founded upon nothing and is gauged by its origin.

Many people have adopted the excellent habit of settling up all of their bills the first of the year. We'll be right here waiting for ours.

Radium is worth \$3,000,000 an ounce and is accepted on subscription at this office.

Got a fresh egg, young man? Take it to one of the big cities and trade it in for a new suit of clothes.

Money comes easy, goes easier, and we're d—d uneasy when we haven't got it.

# PRINCE ALBERT

YOU can't help cutting loose joy's remarks every time you flush your smokespot with Prince Albert—it hits you so fair and square. It's a scuttle full of jimmy pipe and cigarette makin's sunshine and as satisfying as it is delightful every hour of the twenty-four!

It's never too late to hop into the Prince Albert pleasure-pasture! For, P. A. is trigger-ready to give you more tobacco fun than you ever had in your smokecareer. That's because it has the quality.

Quick as you know Prince Albert you'll write it down that P. A. did not bite your tongue or parch your throat. And, it never will! For, our exclusive patented process cuts out bite and parch. Try it for what ails your tongue!

Toppy red bags, tidy red tins, handsome pound and half pound tin humidors—and that clever, practical pound crystal glass humidior with sponge moistener top that keeps the tobacco in such perfect condition.
