

**We Mean It!**

For about four months this bank has been urging the farmers hereabouts to read THE COUNTRY GENTLEMAN. We have done it because we believe in THE COUNTRY GENTLEMAN! This Great National Farm Weekly offers actual money-making helps to those farmers who read it regularly and follow its advice. Its subscribers have in the main become the most prosperous farmers in their counties the Nation over. And that is why we should like to see it in every farm home in our county. We mean it when we say: Read

**The COUNTRY GENTLEMAN**

In a recent investigation among farmers the question was asked: "What helps you most?" One-third answered: "My farm paper." They were able to put a dollars-and-cents value on the advice they read. THE COUNTRY GENTLEMAN is National—broad enough to cover the United States and give a National viewpoint; and at the same time it is local enough to treat of methods and practices section by section. Subscribe for a year! It will cost you \$1.00 for 52 big weekly issues—and many a farmer has profited \$100.00 from hints in a single issue. If you say so we'll charge your account \$1.00 and see that your subscription begins at once. We mean it!

Mr. Dodson Warns Against Use of Treacherous, Dangerous Calomel.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.

**LANE IS TO LEAD SALVATION ARMY**

Former Secretary of Interior Is Chairman, 1920 Committee

Franklin K. Lane, who recently resigned as Secretary of the Interior Department, has accepted the chairmanship of the national committee in charge of the Salvation Army's home service appeal for 1920. This is Mr. Lane's first big civic work after severing his cabinet connections.

In a letter to Commander Evangeline Booth, Mr. Lane declared that sympathy for the suffering people of other lands must not cause America to neglect her own poor and unfortunate classes.

FRANKLIN K. LANE.

"In all our thoughts for other peoples, we may not rightfully forget those on our streets," writes Mr. Lane. "The girl who has stumbled and sees no refuge but the grave; the man who has been broken, through repeated disappointment, dissipation or disease; the neglected, unloved child; the Salvation Army speaks words that are healing to the spirit, holds out a supporting hand and starts them on the way upward out of the slough of despond. If we were not all intended to do this kind of work, then I believe the teaching of nineteen hundred years has been in vain."

Mr. Lane has made it clear to officials of the Salvation Army that he intends to be a "working chairman" in the great appeal. Asked to deliver an address in the interest of the Salvation Army he readily acquiesced. "But," he said, "I should like to address the workers themselves; the men and women who are carrying on this work."

**You Do More Work.**

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60¢ per bottle.

Yes, fifty cent pieces are still in circulation. They are occasionally used for odd change.

If you want to become nationally known you have only to write a glowing testimonial for some patent medicine and mail it to the manufacturers. They will do the rest.

General Wood started from one town to another on a handcar the other day, but the Lord blew up a storm and chased him back. The general, we presume, would term it "executing a masterly withdrawal in pursuance of previous plans."
