A Toast to Milk.

Drink milk. Drink more milk. Pure fresh milk is a food fit for the gods. Babies cannot live without milk, and growing children grow the faster for it. It gives vitality to youth, power to middle life, and to old age it brings a goodly portion of the health and strength of former years.

It should be used more largely by people of all ages, classes, and conditions. Milk steadies the nerve and adds to the health, physical strength, and mental energy of those who use it. It excels coffee, and with its tea is not to be compared. We may drink it at meals and between meals. It is delicious, refreshing, invigorating. It is one of Nature's best gifts to man. Come, let us have another glass of milk.

Whole Milk for Children.

Don't skim the milk for children. Let them have it with its cream. Clean, rich fresh milk and plenty of it makes them grow. It gives them rosy cheeks, bright eyes, strong bodies, and good brains. Each child can readily use a quart a day. Refuse the children tea and coffee, but always give them milk. Encourage them to drink it. Put it on their cereals. Pour it on the toast. Make it into puddings. Mix it into custards. Stir it into soups. Use milk and use it freely. Economize on other foods, but don't economize on milk.

Well-to-do Often Poorly Fed.

The Bureau of Education estimates that there are 6,000,000 school children in the United States suffering from malnutrition. They also estimate that three out of every four children in this country are suffering from some physical defect. Under-nourished children have a much greater per cent of defects than the well-nourished. For instance, in an examination of 8,000 school children, there was not a case of tuberculosis among the well-nourished. Out of those suffering from malnutrition, three out of every one hundred had tuberculosis.

If women wish to protect their children from disease they should study food values. We used to think that malnutrition came only from the homes of poverty, but many children go to well-filled tables, but do not select the right kind of food.

A survey was made recently in Chicago to determine the health of children. It was thought that the large

east percentage of children failing to come up to standard would be found in the stock yards district, but the survey showed that the Sheridan Road and Hyde Park (Fashionable districts) made the poorest record, and the stock yards district the best. When children of the well-to-do are suffering because of undernourishment, it shows that we cannot emphasize the value of food study too often. A quart of milk a day will prevent malnutrition in any child. You cannot afford not to give your child milk—American Farming.

MELVILLE'S COMEDIANS HERE NEXT WEEK

The first performance of Melville's Comedians pleased more than two thousand people last night in the big ten thousand dollar tent on the high school campus. Between 500 and 1000 others were turned away because the management feared that the tent would be overcrowded.

The title of the play was "Broken Hearts," and that it pleased the audience very much was proven by the hearty applause that greeted every act. Bert Melville, comedian, was the hit of the evening, but Miss Lillian De Armond and Joe Hagerty, and others of the company, also received hearty approval. The company as a whole was good, and is the best that has ever shown in the city.

There were a variety of acts displaying comedians, musicians and actors of much ability. While of course the play by the company of thirty is the headline at each performance, the audience is cheered up and kept from a tiresome wait between acts by a variety of pleasing specialties. Athens Herald.

EDWIN FULLER CLUB.

Thursday afternoon at four o'clock the Edwin Fuller Club met with Mrs. Samuel P. Boddie, was the one that attracted most interest and attention, however, and ran along smoothly until about a week before the primary when quite a little additional interest was stirred up, drawing the line ups clearer and involved the Commissioners which brought about a renewed interest and vigorous work on both sides. As a result of this contest Sheriff Kearney won over his opponent by almost 600 majority. But the blow that stunned the public was the withdrawal of E. D. Parrish, also a contestant for Sheriff and his statements in regard thereto appearing at the polling places on the morning of the primary.

AMERICAN NATIONAL INSURANCE CO. BUYS CEDAR ROCK ACADEMY BONDS.

Mr. E. H. Malone, Attorney for the County Board of Education, advises us that the bonds voted and issued by the Cedar Rock Academy School District No. 3, for the purpose of aiding in the erection of the new school building in that district have just been delivered to the American National Insurance Co., of Galveston, Texas. In spite of the fact that there has been a decided slump in the bond market, these bonds, through the good offices of Mr. J. W. Mann, the local agent, were sold at a nice premium and in reporting settlement for the bonds the Treasurer of the Insurance Company stated to Mr. Malone that he was glad of the opportunity to do a part towards helping the great cause of Education in the good old State of North Carolina.

KEARNEY WINS OVER BODDIE BY NEARLY 600

Only Two Old Commissioners Elected—New Board to Be Composed of Wilder, Joyner, Hudson, Timberlake And Fuller—Parrish Drops Out at Last Minute.

Possibly one of the most interesting primaries ever held in Franklin County came to a close on Saturday night with one of the largest votes recorded in the history of the County. There were several contests involved. In the beginning the Democratic party was assailed by former Senator W. M. Person who was contesting to succeed himself in the State Senate, while he was opposed by Mr. Frank B. McKinnis, who was upholding and endorsing the party and joining with it in the promise that the people should have equal justice in both valuations and taxes. In this contest McKinnis won out over Person with a majority of 257, through which the people of the County have again asserted their confidence in the party that has done so much for them. However, had it not been for the jolt brought about in the Sheriff campaign which also reached to the Commissioners there is no doubt but that the majority would have been many times as great as it was.

The contest between the present Sheriff Henry A. Kearney and Maj. Samuel P. Boddie, was the one that attracted most interest and attention, however, and ran along smoothly until about a week before the primary when quite a little additional interest was stirred up, drawing the line ups clearer and involved the Commissioners which brought about a renewed interest and vigorous work on both sides. As a result of this contest Sheriff Kearney won over his opponent by almost 600 majority. But the blow that stunned the public was the withdrawal of E. D. Parrish, also a contestant for Sheriff and his statements in regard thereto appearing at the polling places on the morning of the primary.

In the stir up three of the old Board of Commissioners, Messrs. John D. Alston, John R. Earle and J. Matthew Sykes, lost out, while William D. Fuller and J. P. Timberlake were elected with safe majorities. Messrs. William C. Wilder, Albert J. Joyner and Cephus C. Hudson were the new members elected.

While the interest was centering on the above offices Mr. John (Jack) B. King, of New Hope, Harris township, out ran both his opponents, Representative W. Henry Macon and former Representative S. Atwood Newell, with a score of 48 more votes than both of them and receiving the nomination by a majority of 24.

The contest between Meadows and Byrd for Coroner was exceedingly close, Byrd having a majority over Meadows of 12 votes.

The local interest was so great that the State ticket was almost lost sight of, however the friends of Senator Overman, Judge Gulon and Cameron Morrison made quite a neat showing for them. Prof. N. Y. Guiley lead the ticket for Associate Justices in the County.

Only two townships had contests for Constable. In Cedar Rock Mr. Peter Dean won over his opponent, Mr. Roger Collins, by a large majority, while in Gold Mine Mr. Cleary Parrish beat his opponent almost overwhelmingly.

After the smoke of the primary had passed over everything resumed its usual quiet and unity and both the losers and winners have joined hands to roll up the biggest majority in the history of the County in November.
