WHAT SHALL I GIVE?
Why give something perishable for a Christmas present, that can last at most but an hour or a day or a week when the imperishable is under your hand? And if, among these imperishables, you choose The Youth's Companion, your gift has the special quality: the newness of the gift, its freshness, is not at once exhausted.

And every one in the family, of every age will see to it that the good things are shared.

BILIOUS CHILDREN
Black-Draught, Long in Successful Use, Praised by an Arkansas Mother, "Soan Does Its Work."
Marmaduke, Ark.—Speaking of Theodora's Black-Draught, which from long use in her household has become regarded as "the family medicine," Mrs. Mary E. Hill, of Route 1, this place, says: "When the children get bilious, I give them a couple of good doses, and when we have sour stomach, headache, or any liver or stomach trouble, we use Black-Draught. It is an easy laxative, and soon does the work. I certainly think it is one of the best remedies made."

Black-Draught acts on the jaded liver, gently, but positively, and helps it in its important function of throwing out waste materials and poisons from the system. In thousands of households Black-Draught is kept handy for immediate use in case of need. Prompt treatment offers half the battle, and will often prevent slight ill from developing into serious troubles. Its well-established merit, during more than 70 years of successful use, should convince you of the helpful effects obtainable by taking Black-Draught for liver and stomach disorders. Get a package today, and keep it in your house. See that the package bears the words, "Theodora's Black-Draught." NO-111

SAFETY IN DELAY.
Mrs. Bacon—What is your husband ranting about in the kitchen?
Mrs. Egbert—He's expressing his opinion of the cook.
Mrs. Bacon—Dear me! I should think he'd be afraid to speak to her in that way.
Mrs. Egbert—Why should he be afraid? You know she left yesterday. —Yonkers Statesman.

No Worms in a Healthy Child
All children troubled with Worms have unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 6c per bottle.

A SURE SCARE.
I have tried every kind of alarm clock, said the drowsy citizen, and I haven't found one that even annoys me. I've got to find something that'll jump me out of bed with a scare. Well, replied the obliging jeweler, if you want to pay for a special order, I'll have a big one built for you with an automobile horn.

The Farmer's Worst Enemy—Rats. The Farmer's Best Friend—Rat-Snap.
These are the words of James Baxter, N. J.: "Ever since I tried RAT-SNAP I have always kept it in the house. Never fails. Used about \$3.00 worth of RAT-SNAP a year and figure it saves me \$300 in chicks, eggs and feed. RAT-SNAP is convenient, just break up cake, no mixing with other food." Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by The Allen Bros. Co.

A high-priced artist was engaged to draw a Christmas cover design for a southern magazine, but his work was not satisfactory. What was the trouble? He insisted on putting the girl in a snowstorm, was willing to compromise on ice skates, but couldn't see his way clear to drawing her picking roses in December. —Birmingham Age Herald.
