THANKS! THANKS!!

We expected to do a lot of business when we started this sale but we did not expect the crowds we did have and Candler-Crowell Co. wishes to express their thanks and appreciations for the liberal patronage of the opening days. New bargains are being offered and lower prices are being made from day to day. Every dollar's worth of goods has got to be sold and cost and profit have been entirely disregarded in our determination to get rid of this stock. Come early and often and get the biggest bargains ever offered in North Carolina.

Yours for business,  
T. C. HENDERSON, Merchandise Adj.
