

PUT NOT YOUR TRUST IN MONEY BUT PUT YOUR MONEY IN TRUST

If you have any idle money which you are planning to invest, deposit it with us where the safety of the principal is assured until you get ready to use it. We will not only allow you interest on same while it is on deposit with us but will cheerfully assist you in the selection of your investment.

We appreciate your patronage whether large or small and will be only too glad to serve you.

THE FIRST NATIONAL BANK

LOUISBURG, N. C.

Member of the Federal Reserve System

F. B. McKinne, President F. J. Beasley, Cashier
Capital, Surplus and Undivided Profits \$85,000.00

- ☛ The modest building pictured here housed the first bank with which the American government had any official connection, and from this small beginning has grown up the vast system of banking in this country.
- ☛ Of that system this bank is a part, and it is that part which best represents the banking facilities of this community. It offers to our people the same opportunities that larger institutions offer the people of larger communities.
- ☛ A savings deposit with us means a safe, money-earning investment for you. It means the beginning of a habit that will become a pleasure as you watch your account grow.
- ☛ Start a bank account with us today.

Farmers National Bank

J. M. ALLEN, President T. H. DICKENS, Vice-President
H. M. STOVALL, Cashier
Capital \$50,000.00 Surplus \$10,000.00
Louisburg, North Carolina

TAR DROPS

—Quite a lot of moving is being done at this time.

—Cotton sold for 12 1-2 cents a pound in Louisville yesterday.

COMMUNITY SING AS WELCOME HOME SECRETARY NAVY

As a welcome home to Secretary of the Navy Josephus Daniels and Mrs. Daniels, after eight years in Washington, a big community sing will be staged in Raleigh at the city auditorium on Sunday, March 6, under the auspices of the Wake County Community Council, of which Dr. Clarence Poe is chairman, and the Raleigh Recreation Commission, of which Dr. A. G. Spangler is chairman.

Former Governor T. W. Bickett is expected to welcome the secretary and his wife back home and Dr. J. H. Templeton of Cary will extend a welcome on behalf of the county. Both Mr. and Mrs. Daniels will respond with short speeches. Not more than twenty minutes will be given to the speaking however, as the community singing and the solos and instrumental music will be the feature of the occasion, with a large place given to the singing of the familiar gospel hymns.

It is announced that only two seats will be reserved in the whole auditorium, these being for Secretary and Mrs. Daniels. The east gallery will be allotted to the negroes of the city as usual, the arena, dress circles and west gallery being left for the white people.—Raleigh Times.

EXTENT OF DAMAGE TO COTTON

A letter received by a local citizen from Barrett & Co., Cotton brokers, on the extent of damage to cotton under various conditions should be of interest to our readers. It follows:

"A series of experiments by the Department of Agriculture was recently held in Georgia with the view of determining the extent to which cotton in bales would damage under various conditions. The results were striking.

"A bale placed flat on the ground, fully exposed to the weather, in the course of eight months was damaged to the extent of 370 lbs. Another bale placed on its edge with no further attention lost 147 lbs.

"A bale placed on its edge and turned over once a week lost 110 lbs.

"A bale placed on its end and not turned lost 78 lbs. while a bale placed in a warehouse for the same period lost ONLY ONE POUND. The significance of this cannot be easily overlooked.

"In addition to the damage to the cotton from the weather, it is either not insured at all or if insured, it carries an almost prohibitive rate. Furthermore while lying on the farm it is not a basis of credit and does not function commercially as it would if placed in a bonded warehouse and a receipt issued against it. This should be of great interest to you."

All Cleared Up. He—You know I love you: will you marry me?
She—But, my dear boy, I refused you only a week ago.
He—Oh, was that you?

Prominent Western Man Praises Tanlac

G. W. Logan, Peabody, Kansas

"Tanlac has completely restored my health and I feel finer than in years." was the straightforward statement made recently by Mr. George W. Logan, of Peabody, Kansas, one of the most prominent stock-dealers in the Middle West.

"It has not only made a new man of me but I have actually gained thirty-five pounds in weight and feel as well as I ever did in my life. I am telling all of my friends about Tanlac but they can see for themselves what it has done in my case."

"When I began taking Tanlac I was in an awfully run-down condition. I was away off in weight, felt weak and nervous all of the time and couldn't take any interest in my work or anything else. My main trouble was indigestion. Nothing seemed to agree with me. At times I would have dizzy spells and at other times my back would ache so bad that I could hardly get up and down in my chair. This is just the condition I was in when I started to take this medicine. It took just six bottles to make a fine well man of me. I now have a fine appetite, everything I tastes good and my digestion is perfect."

"My wife was also troubled with indigestion at times and it relieved her the same way. You may publish my statement wherever you like and I was away off in weight, felt weak and nervous all of the time and couldn't take any interest in my work or anything else. My main trouble was indigestion. Nothing seemed to agree with me. At times I would have dizzy spells and at other times my back would ache so bad that I could hardly get up and down in my chair. This is just the condition I was in when I started to take this medicine. It took just six bottles to make a fine well man of me. I now have a fine appetite, everything I tastes good and my digestion is perfect."

Tanlac is sold in Louisville by SCOGGIN DRUG CO.

Why Gamble?

The proper selection of your Farm Light and Home Electric Power Plant is the difference between assured satisfaction and "may-be-so."

Why gamble? There is always one best in everything—and in electric plants it is LALLEY.

Thousands of users throughout the world know from actual experience that this is true.

Here's the Proof
