An Act to Authorize the Board of Graded School Trustees of Louisburg to Issue Bonds for the Purpose of Erecting and Equipping Additional School Buildings for the Louisburg Graded School District.

The General Assembly of North Carolina do enact:

Section 1. That for the purpose of providing increased school facilities, either by the erection of a new building or buildings, or the enlargement of the present building, the board of graded school trustees of Louisburg be and they are hereby authorized and empowered to issue bonds of the Louisburg Graded School District to be styled "Louisburg Graded School Building Bonds," to an amount not exceeding one hundred thousand dollars of such denominations as said board of graded school trustees may deem advisable, bearing interest from the date of issue at a rate not exceeding six per centum per annum, with interest coupons attached. Said bonds shall be of such form and tenor and transferable in such manner, and the principal thereof payable or redeemable at such time or times, not exceeding thirty years from the date thereof, and principal and interest payable at such place or places as the

said board of graded school trustees shall determine. None of said bonds shall be disposed of for less than their par value, and the said bonds may be issued at such time or times and in such amount or amounts, not exceeding in the aggregate the sum heretofore limited, as may be deemed best by the said board of graded school trustees. Said bonds shall be issued in the name of the Louisburg Graded School District, sealed with its corporate seal, and signed by the chairman and secretary of the said board of graded school trustees.

Sec. 2. Said bonds shall be sold by the said board of graded school trustees only after advertisement in some newspaper published in the county of Franklin for two weeks prior to the date of sale, naming the time and place when sealed proposals for the purchase of said bonds will be received, and the same shall be awarded to the bidder submitting the highest bid: Provided said bid shall not be less than par and accrued interest. The board of graded school trustees shall have the right to require of each bidder a deposit as a guarantee of good faith.

Sec. 3. The proceeds of the sale of said bonds shall be received by the treasurer of the said board of graded school trustees, who shall give such additional bond as may be required of him by said board, and no part of the said proceeds shall be used for any other purposes than those declared in this act.

Sec. 4. For the purpose of providing for the payment of the interest on said bonds and the principal thereof at maturity, the board of commissioners of Franklin County shall annually, at the time of the levying of other taxes in said county, levy a special tax on all polls and real and personal property subject to taxation within said Louisburg Graded School District sufficient to pay the accruing interest and to provide a sinking fund for the payment of the principal of said bonds at maturity: Provided, that said special tax shall not exceed twenty cents on the one hundred dollars valuation of property and sixty cents on each poll. That such taxes shall be collected by the sheriff of Franklin County as other public taxes are collected in said county, and the said sheriff shall pay the same over to the treasurer of the board of graded school trustees who shall keep the same separate and apart from all other funds belonging to said graded school district, and shall use the same only for the purpose of paying the interest and the principal of the aforesaid bonds.

Sec. 5. That none of said bonds shall be issued, nor shall the aforesaid tax be levied until this act shall be submitted to and approved by a majority of the qualified voters of the said graded school district at an election to be held within said graded school district. The board of commissioners of Franklin County shall upon petition of the board of graded school trustees of Louisburg, at any time within two years from the ratification of this act, order an election to be held within said district at a time and place to be fixed by the said board of commissioners, at which said election there shall be submitted to the qualified voters of said district the question of the issuance of said bonds and the levying of said taxes. The said board of commissioners shall give notice for not less than thirty days in some newspaper published in Louisburg, which notice shall state the purpose of said election, the time and place at which it is to be held, and shall recite in substance the provisions of this act. Said commissioners shall appoint a registrar and two poll holders for such election and shall order a new registration of the voters within said district. Said election shall, in all other respects, be conducted as nearly as is practicable as elections for members of the General Assembly. At such election those qualified voters in Louisburg Graded School District favoring the issuance of said bonds and the levying of the said special tax herein provided for shall vote a written or printed ballot containing the words "For School Bonds," and those qualified voters in Louisburg Graded School District opposing the issuance of said bonds and the levying of the said special tax herein provided for shall vote a written or printed ballot containing the words "Against School Bonds." It shall be the duty of the registrar and judges of the election to count and canvass the votes cast at such election, and to prepare and file with the register of deeds of Franklin County an abstract setting forth the number of qualified voters in said district, the number of votes cast and how cast at such election, and upon such return the board of commissioners of Franklin County shall declare the result of such election. If at such election a majority of the qualified voters shall vote "For School Bonds," then all of the provisions of this act with reference to the issuance of said bonds and the levying of said special tax shall immediately be in full force and effect. Said bonds may be issued at any time within two years of the date of said election.

Sec. 6. That all laws or clauses of laws in conflict with this act are hereby repealed.

Sec. 7. That this act shall be in force from and after its ratification. Ratified this 20th day of August, A. D. 1920. 4-8-8t
