After Taking Three Bottles of Sanux Says He Feels 20 Years Younger And All His Troubles Have Gone.

Durham, N. C.—"I had indigestion so badly I couldn't even drink water with out suffering from it," declared Mr. B. H. Dunn, of 319 West Pettigrew street, in a statement sent the United Medico-Chemical Hospital recently. I was on a milk and cracker diet and was failing fast. "I began taking sanux and it helped me right away. I commenced to improve from the first bottle. "I have taken three bottles and now I have a good appetite and can eat any thing without suffering. "I believe Sanux is the greatest medicine in the world for stomach troubles and I'm telling every sufferer I can about it."
