

### 'Insurance Protection Plus Service'

You represent as good Companies as there is, issuing Insurance protection to cover everything that's Insurable, giving service that satisfies.

We have TWO leading Companies issuing policies to cover TOBACCO CURING BARNs against loss by FIRE this season, and pay prompt attention to every request received for this protection by mail, just say COME on a postal card and we will be there the day card is received.

Last season we insured 263 barns, had several to burn. We expect to insure 1000 this season.

During this year we have paid several THOUSAND DOLLARS in DEATH and FIRE claims in FRANKLIN COUNTY, we will be sure to pay lots more. INSURE, get yours, be safe, not sorry.

### THE MODERN DANCE.

What is the dance as they do it today? Just question yourself as I give it away.

As a man thinketh deep in his heart so is he. And deed follows thought if a chance there should be.

An evil desire, if given full sway in the mind of a man, let him be what he may.

Will e'en search for expression in the dark of the night. It will push the strong giant from the path of the right.

The innocent one in the search for delight Will sweep from the vision an unpleasant sight.

A girl will believe what she wants to believe, And thus a pure conscience will haste to deceive.

The thing that is done in the whirl of the dance Perhaps would be done at another good chance; Where the veil of convention n'er enshrouds a fair form, Nor can guard the good name from the reek of the storm.

Be it public or private a wrong is a wrong, You can't camouflage it amid a great throng; If allowed to go on, in a subconscious way, It will sooner or later bring moral decay.

The modest apparel that's worn on the street Is all out of place when you shuffle the feet;

They e'en have a check-room for all "iron-sides" 'Tis too artificial for the airy that glides.

And the motions and postures assumed in this place Will bring a deep blush to an old-fashioned face;

Not dances but orgies they now may be called, Ah! more is the pity for those so enthralled.

Shall we wink at this evil that now stalks abroad Enrobed in convention but sharp as a sword?

May God in His mercy e'en open our eyes To behold the abyss that below us now lies.

### WORN NERVES

Nervous troubles, with backache, dizzy spells, queer pains and irregular kidneys, give reason to suspect kidney weakness and to try the remedy that has helped your neighbors. Ask your neighbor!

Mrs. W. M. Pleasants, Cedar St., Louisburg, says: "Some years ago I was in bad shape with my kidneys. I was annoyed by the way they acted and my back was so lame and sore that if I would do a little too much lifting, severe pains would come over my kidneys. My head ached badly at times, too, and I was nervous and couldn't stand the least noise. I heard a whole lot of Doan's Kidney Pills and began taking them. I got my supply at Aycock's Drug Co., and am glad to say they relieved this trouble."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Pleasants had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
