

CLOGGED BLOOD WITHERS THE BODY
Workers Sick and Weak From Exertion Take Gude's Pepto-Mangan

Men and women who toil, either physically or mentally, use up energy. When they overwork they use up more energy, and sometimes the blood gets in a run-down condition. Without rest the blood cannot get back to normal, so that it becomes clogged with waste matter from over-exertion.

The clogged blood virtually withers the body. The strained looks on pale faces, the thin, bloodless arms, the sunken cheeks and necks, the dead-tired feeling, are the results of stale blood depriving the system of life-giving oxygen.

Workers go to the drug store and get Gude's Pepto-Mangan when they feel weak and run down. They take it in either the liquid or the tablet form. That makes the blood rich and red and drives out the poisons. Life-giving oxygen, carried by the little red cells, renews the strength and builds up the entire system. Look for the name "Gude's Pepto-Mangan" on the package. Advertisement.

FOR THE FAMILY.

You may have seen the family group that The Youth's Companion has chosen for its symbol. It appears on all Companion stationery and on all Companion advertising matter. It typifies the idea that The Companion stands for—the solidarity of the family. In its stories, in its articles, in its contents generally, The Companion speaks to the family, animated by the spirit that draws parents and children together round a common hearthstone, sharers in the same duties, the same joys, the same aspirations. New subscribers for 1922 will receive:

1. The Youth's Companion—52 issues in 1922.
2. All the remaining issues of 1921.
3. The Companion Home Calendar for 1922. All for \$2.50.
4. Or include McCall's Magazine, the monthly authority on fashions. Both publications, only \$3.00.

The Best Gasoline Costs no More

DURING our many years' experience in producing gasoline we have discovered that the proper blending of basic crudes is necessary for a balanced fuel. And our access to practically every developed oil field has insured full utilization of the various types and grades of crude in exactly the proportions needed.

The improved "Standard" Motor Gasoline is produced through the efforts of our Development Department. These men have devoted in the study of oil refining and the relation between the properties of oils and the to which they are adapted. "Standard" Motor Gasoline represents the fruit of

their years of painstaking experimentation. It is uniform in quality, quick-firing, clean-burning. It is the best gasoline obtainable, and costs no more than any other.

The consistent use of "Standard" Motor Gasoline will go far towards correcting many of the more common difficulties of motor operation. Your engine overheats or sputters or wastes gas, if you use inferior gasoline. It runs quickly, smoothly, and your engine becomes more efficient. You will find that you have been using the wrong gasoline.

Will you use the improved "Standard". On sale wherever you see the familiar "S.O." sign. Remember—it costs no more.
