IT SEEMED LIKE I COULDN'T LIVE

Her Recovery After Three Years Of Suffering Was Great Surprise - Can't Praise It Enough.

"Tanlac went right after my troubles at once, and now after taking only three bottles I am a well woman," said Mrs. Maud H. Miller, 64, Dempster St., New South Memphis, Tenn. "About three years ago I began suffering from stomach trouble which continued to grow worse until at times it seemed like I could not live. I had indigestion so bad I couldn't eat a single thing without its hurting me and my liver was very inactive. After every meal I would bloat up with gas until I could hardly breathe, and my heart acted so queerly that I was actually frightened. I was extremely nervous and it was impossible for me to get a good night's sleep. I felt tired and worn out and was badly constipated."

"Some of my friends and relatives had taken Tanlac with such fine results I decided to try it myself, and my improvement was a great surprise to me. I now have a splendid appetite, and eat just anything I want and never have a sign of indigestion. My liver is active my nerves in fine shape, I sleep well and have regained my strength so that I can do my house work with greater ease than in years."

"Tanlac is sold by leading druggists everywhere."

Sergt. Leon D. Wagner, of Raleigh, was in Louisburg Saturday assisting Capt. H. W. Perry with the details of Battery B.
