WEAK BLOOD IS A REAL BARRIER

Growing Children Often Need Gude's Pepto-Mangan

Some children grow too quickly—it saps their strength. They lapse into careless, desultory habits, or develop a shrinking attitude. Their faces look pinched.

The blood becomes overtaxed by too rapid growth; and poisons from the system take the place of strength-giving red corpuscles in the blood. Red corpuscles are those little red particles that swim in blood and give it its color. Gradually that child loses interest in its play.

Poor blood needs the building that the iron in Gude's Pepto-Mangan gives to weakened blood. Gude's Pepto-Mangan enriches the blood by increasing the number of red corpuscles, and restores the blood by driving out the poisons. When the revised blood gets to work, the appetite becomes what a growing child's should be. Your druggist has Gude's Pepto-Mangan in liquid or tablet form. The name "Gude's Pepto-Mangan" is on every package. Advertisement.

A HEAVY BURDEN

A bad back is a heavy burden. A burden at night when bedtime comes.

Just as bothersome in the morning. Ever try Doan's Kidney Pills for it?

Know they are for kidney backache—and for other kidney ills? If you don't, some Louisburg people do.

Read a case of it: Mrs. F. L. Herman, Church St., Louisburg, says: "My kidneys bothered me a whole lot the way they acted and I couldn't get my proper rest. I heard a great deal of Doan's Kidney Pills so I bought a box at the Aycock Drug Co. I am glad to say they proved just as represented. Doan's entirely cured me." Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Herman had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
