WOOD, - NORTH CAROLINA

We carry a full line of everything needed at lowest possible price. Come and be convinced. We have the best goods money will buy in meat, meal, flour, lard, sugar, coffee, shoes, clothing, hats, caps, dry goods and notions, buggies, wagons and harness. Hardware and furniture priced so cheap that it will make the other fellow ashamed that he tried to sell you, in fact we have in stock everything from a baby shoe to casket for grown people but it is our wish that you will not need either of those articles, but in case you should, remember we can do as well and in most cases better for you than any one else.

We are running our gin more hours per day and night than anyone else. There is a reason. What is it? Fair treatment and good dealings make friends and customers. And we have them altogether with right prices. Come and see. We need your business, if you owe us anything we need it, if not we want you to, our goods must be moved as we have entirely too much stock and need the money, in fact our creditors do not hesitate to say so. Come to see us and let's get our business balanced and start anew. We have always done what you wanted us to and we know we are entitled to your business as long as we can help you to produce more crops and save you money on your purchases.
