Don't talk about unemployment when material and labor is beyond reach.

Japan is not satisfied with the reduction proposed in the Navies. But who expected otherwise.

Over two million dollars in roads were contracted for Tuesday by the State Highway Commission

"Can't get line on real position," says a headline in reference to Harding's plans for the agreement of the Nations.

The Disarmament Conference at Washington seems to be up to its neck in the far eastern question. Quite a long distance away.

The State organization of the Farmers Union and Labor have signed agreement, which practically means a merger. A bad move for both organizations.

President Harding in a statement the other day took a position that was translated by the public as the revival of the League of Nations only under a different name.

A. W. McLean says that North Carolina leads the Union in Agricultural conditions. That sounds good. Next year it will be in position for comparison of returns for their crops.

Next Thursday the Special session of the North Carolina General Assembly will convene. Lets pray for relief from some of the burdens now imposed. For instance high salaries, extravagant appropriations and abundance of laws.

Louisburg celebrates a big dollar day here today and tomorrow with free balloon ascensions. Many free prizes will be given away and a large number of bargains have been offered for the benefit of the big crowd that will be present.

The Co-operative Associations are running fine. In the present campaign for members growers are almost falling over each other to sign. The motto of the present campaign is "get the signature" and the advice is "don't be left on the outside."

It has been reported that some disreputable brute has been visiting Oak lawn Cemetery and stealing the flowers and vases placed on the graves. When a person becomes so void of principle and sentiment as to be guilty of such crimes we don't know just what ought to be done with him. But something ought to be done.

**JUDGE BOND.**  
 It isn't often the case, even in positions of honor and trust that you find the combination of firmness and courtesy, blended in such a way as to leave the most pleasant feelings on the part of those who suffer reverses. But such is the personnel of Judge W. M. P. Bond, who recently conducted three terms of Court in Franklin County and has by his impartial and firm, yet pleasant manner in conducting his Courts won the commendation of all and endeared him to our people.  
 This however, was not Judge Bond's first visit to Franklin County as he held court here some six years ago, at which time he impressed our people with his ability and absolute sincerity of purpose.  
 North Carolina needs such able and firm-minded men as Judge Bond on the Bench and it is to be hoped that he will again visit Franklin County, both in his social and official capacity, as he has many warm friends here who are always glad of the opportunity to be thrown into his company.

**MRS. W. E. WHITE HOSTESS.**  
 Mrs. W. E. White, hostess to the Tuesday Afternoon Book Club for the Thanksgiving meeting, on November the 22nd, proved her inimitable hospitality.  
 The many guests present participated with highest pleasure in the entertainment of the afternoon.  
 The reception rooms, where the guests assembled, were made lovely with decoration of chrysanthemum and potted plants.  
 The business feature of the club concluded, Mrs. Parham called for the Minutes of the last meeting, which were read by Mrs. M. S. Clifton, in the absence of the Secretary.  
 The third and concluding program on France was beautifully carried out in every detail.  
 Miss Sallie Williams read a delightful paper on Masters of French Literature, showing the prolific literary talent of that country and the versatile style of French literature. Balzac, Bossuet, Hugo, Rostand, Moliere, Racine, Corneille and others, names that are lasting monuments to a noble country.

Mrs. W. E. White's paper, Description of Alsace including Romantic Colmar, was beautiful in thought and wording and appealing in every sense. She took her listeners' heart and mind into that country made famous by the World War and around which centers World War sentiment.  
 Mrs. Parham read in her

shouting manner, parts of Victor Hugo's lovely classic, Hernani. She gave first a brief sketch of the play, and then read parts from the romantic live scenes and the beautiful descriptions of stage and setting. A delightful feature of the afternoon was the musical program arranged by the hostess.  
 The opening number, a piano solo by Miss Williams was heard with delight. Mrs. White, Miss Ruth Hall and Miss Williams then sang The Marcellaise, with Mrs. O. Y. Yarbrough accompanying, a really excellent rendition of the beautiful national song of France.  
 All expressed keenest delight in the concluding number, Tolstois' Goodbye sung by Mrs. White, Misses Williams and Hall.  
 The program ended the hostess served delicious refreshments in three courses. The guests departed expressing great appreciation of the delightful afternoon.

**THE FRANKLIN COUNTY BARACA-PHILATHEA UNION.**  
 The Franklin County Baraca-Philathea Union met with the classes of Dunn Baptist church Nov. 12-13. Saturday afternoon, Rev. S. L. Morgan, pastor of the First Baptist church of Henderson, preached a most powerful sermon on fruit-bearing. His text was taken from John 15-4. He stressed especially "What it will take to make a soul-winner in our classes". 1. Separation from the world. 2. Consecration of character. How we wish every Baraca and Philathea in the county could have heard this sermon. We hope some of us that did have this great privilege, will put it into practice.

Saturday evening at 7:30 o'clock Mr. June Perry conducted the Devotional Exercises, his subject being "The Fruits that we bear." Rev. M. Stamps and others gave us helpful talks.  
 The Social hour was very pleasantly spent. Miss Meta Horton announced that in order for all to get acquainted, each one would have to rise and tell their name and where they were from. While sandwiches, apples, oranges and grapes were being served, progressive conversation was going on at a rapid rate. This closed the services of the evening.  
 Sunday morning at 10:15 in the absence of Dr. H. C. Johnson, Mr. June Perry was so kind as to open services again for us. The meeting was then called to a business session. After the Treasurer's report the minutes were read and approved. The roll was called and twenty-two classes reported.

Judges on reports: Dr. D. B. Bryan, Miss Bertha Cates and Mr. Thomas Committee on Time and Place; Mrs. J. F. Murchner, Miss Vivian Wheelless and Mr. George Cooke. Mr. L. H. Allison introduced the speaker for the morning hour, Dr. D. B. Bryan of Wake Forest College. His subject being "Challenge of choice service and ideals." He said, "We should invest in some concern that is safe and sound; something that would give us good returns, also in some particular thing that is worth while. Real values in life do not consist in property and property value. Choose what can't be measured in dollars and cents. Invest our thoughts, time and souls where the prices cannot reach us. We must choose life's value; shall we make the choice, shall we conquer?" After this splendid address, we adjourned for the noon hour.

A most bountiful dinner was served on the grounds and enjoyed by all.  
 2:15 P. M. the meeting was opened with a song service. We were very fortunate to have our State Philathea President with us. She spoke to us on "Study, Soul-winning, Service and Social Life." She also told us of something the Baracas and Philatheas of the State were doing for the boys at Oteen and Kennilworth hospital.  
 The judges on reports decided that the Jr. Philathea class of Sandy Creek and the Baraca class of Sandy Creek were entitled to the Banners. Prof. T. H. Sledge of Cedar Rock, in a most impressive way presented the Banners, and they were accepted by Miss Gupton and Mr. Burnette. The committee on Time and Place reported that the Union would meet with the classes of Perry's church the 1st Saturday and Sunday in May, 1922.  
 It was our great pleasure to have three quartettes, instead of one as heretofore. We had one from the Jr. Philathea class of the Baptist church of Franklinton, one from the Methodist church of Franklinton, also the Wake Forest quartette. All of the singing was enjoyed to the fullest extent.

Every county in the State is asked to organize five new classes and get two hundred new members by the next state convention, which meets in June. Lets see if Franklin county will be the first to do that.  
 We had a great meeting and hope every class will be represented at Perry's next May.

 Oteen, N. C., Nov. 28, 1921.  
 Mrs. R. C. Beck.  
 Com. Women's Aux. Amer. Legion,  
 Louisburg, N. C.  
 Dear Madam:  
 Mr. Reis, Ward Representative of Ward N-2 has sent me your letter of Nov. 18, 1921, as he has been discharged.  
 In accordance with your request, I am sending you a list of the men in Ward N-2, giving their names, former organization, home address, and State (in which they were born). As this list will vary from time to time, it will be necessary to correct it sometime in the future. To this end, I wish to suggest the name of Mr. Ralph Young, Ward N-2, Oteen, N. C. as a permanent representative to whom letters should be sent.

We received the wire on Armistice Day, and I assure you that the entire ward appreciated the spirit in which it was sent. We also received a box from the American Legion Post there on Thanksgiving Day. Words cannot describe the joy with which this was received. Of course, we get plenty to eat here but only a former service man or woman can understand a thing like that from the Home Folks, which we want to feel we are to you.  
 I am sorry that this information was delayed. You see the letter had to go to Mr. Reis' home which is in Florida. And it was forwarded back to me here.  
 I assure you, Mrs. Beck, that anything your post does for the boys here will be appreciated more than mere words can tell. We are especially in need of the things that cheer us up. Not all of us have T. B. but more or less all of us are sick with a disease of service origin.  
 Thanking you for the interest you have taken in our word, and in the boys.  
 I am  
 Respectfully yours,  
**RALPH N. SANFORD,**  
 Ward N-2, Oteen, N. C.

**DEMOCRATS INAUGURATED DISARMAMENT POLICY. HOPE FOR ITS SUCCESS.**  
 The attitude of the Democratic party past and present on the policy of the limitation of armaments was well expressed officially in the following resolution adopted at a meeting of the Democratic National Committee at St. Louis on November 1:  
 Whereas, The people of the United States and the world are burdened with enormous taxes due in large part to the preparation for and consequences of war, which the government of the United States expended 93 per cent of its income for wars past, present and future, and  
 Whereas, The Democratic party inaugurated policy for the limitation of armaments, first by legislative provision in 1916 and secondly through Article VIII of the covenant of the League of Nations, which was proposed by a Democratic President and incorporated therein as a result of his efforts, and

Resolved, That the Democratic National Committee expresses its gratification at the assembling of the Disarmament Conference and further expresses, the hope for its complete success.
