ST. MATTHIAS EPISCOPAL CHURCH AND SCHOOL (COLORED).

I have had charge of this work 21 years. The church work has grown in number and spirit. The Mission school, which is a part of the church, has 278 children under its care. The school has been a blessing to this community. Out of it has come many fine boys and girls. This work is supported by our good southern and northern white friends, for which we express our grateful thanks.

We are to have a rally on Sunday at which time we are trying to raise \$200 for missionary work. We are asking every one that the church and school has helped, to help us. I feel very grateful to my white and colored friends for their most hearty support, since being in this community.

I am thankful to God for the interest the white people in this community have in my people. Let us all strive to do the right thing and live for God. Prof. Graves, who belongs to St. Ambrose Episcopal church, Raleigh, will speak for us at 11 o'clock Sunday morning. Sunday school at 3:30 p. m. Evening Prayer and an address by the missionary.

We extend a very cordial invitation to all of our friends to attend these services.
