

To All FORD Prospective Buyers

Louisburg, N. C. March 14, 1922

Dear Sir:-

We wrote you a few days ago, telling you how easily you can purchase your Ford car by using your credit advantage with the R. & L. Plan.

Ford automobiles are lower in price now than ever before in the history of the Ford Motor Company. The car itself is the best yet manufactured. You can buy your Ford at these low prices, splitting it up into small monthly payments and have a full year in which to pay.

In the few bad days that are to come between now and spring, hop in your car and act if they were the sunniest days of June. Go on with your usual business in this sort of weather and before you realize it you are doing many more things. You are actually making the car pay for itself while you ride!

And then—Spring! Beautiful days in which to enjoy yourself, go fishing, picnicking, camping out. Get out in the fresh air. Best medicine in the world! There are many other things you have in your mind right now of doing with your Ford this Spring.

That's why we are SURE that the R. & L. Time Payment Plan is of interest to you and why we write again to ask that you come in to see us or let us send a salesman to explain details to you.

May we see you in person or hear from you this week?

Sincerely yours,

Louisburg Motor Company

No Worms in a Healthy Child
All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.
