SPOTS

Spots, Stains, Harmlessly Removed

It is never safe to attempt to remove stains and spots from fabrics through the use of chemicals which may have been purchased from the house-to-house vender.

Different fabrics require different treatments. It is really a problem for the expert.

Through lifelong study of the subject, we are equipped to remove stains properly, without injury to the texture or color of the fabric. Do not take chances. Send your clothing, rugs, carpets, curtains and so forth, to us for expert cleansing.
