I take this method to announce my candidacy for the office of Clerk of the Superior Court for Franklin County for the coming Term, subject however to the action of the Democratic Primaries to be held on the 3rd day of June, 1922. I desire to express my gratitude and thanks for the numerous kind expressions received from all parts of the County from my numerous friends, and I assure you I appreciate the same more than I can express. I also thank all for the unqualified support given me in the past, and earnestly solicit the same in the coming Primary. I realize the fact that it will be impossible for me to visit each Voter personally as my time will be occupied with Courts and attending to the business of the office, which the people expect and have a right to expect, but I intend to see as many people as possible between now and the Primaries. My past record as an official is an open book, which I am willing to let the people pass on. Thanking one and all who have supported me in the past and soliciting your support at the coming Primaries, and with good will towards all and malice towards none I am,

TO THE VOTERS OF FRANKLIN COUNTY
I take this means of announcing my candidacy for the office of Register of Deeds for Franklin County. I believe that the general consensus of opinion in the County is that rotation is office is best for the public interest, and I am asking for election on the following platform:
1. I believe that salaries ought to be reduced commensurate with the times; therefore I am willing to work on the 1917 salary basis.
2. I favor a general reduction of taxes, the cutting out of useless expenses and useless offices, of which we have several in this County, and if elected will work on the 1917 salary basis and do all in my power to help the people reduce expenses, useless offices and taxes.
I have been a democratic voter for forty years, and am asking your support for an office for the first time in my life. Your votes and influence will be greatly appreciated.
