TAR DROPS

Monday is first Monday. Franklin Superior Court convenes Monday, May 15th. Politics is about the warmest subject you hear nowadays. Cotton sold in Louisburg yesterday for 16 5-8 cents a pound. Be careful about cutting those trees you may kill a candidate. The County Commissioners and Board of Education meet Monday. Little Viola Curran is the new arrival at the home of Mr. and Mrs. T. C. Alston. Quite a large number of our people attended the ball game at Wake Forest Tuesday. Senator W. M. Person, a candidate for Congress will deliver a speech at Nashville at 3 o'clock Saturday afternoon. Constable J. E. Thomas informs us that he has another lot of vegetable seed that he will be glad to give any one calling for them. All candidates for County and township offices and for State Senate from this District will have to file their pledge and pay their fee on or before May 20th, 1922.

AT METHODIST CHURCH

Pastor G. F. Smith of the Louisburg Methodist Church announces regular services next Sunday both morning and evening. Everybody is invited to attend.

FRANKLIN COUNTY BARACA-PHILATHEA UNION

The next meeting of the Franklin County Baraca-Philathea Union will be held at Perry's Chapel on Saturday and Sunday, May 6th and 7th. All organized Baraca and Philathea Classes are expected to have their delegates present for the opening meeting which will be held Saturday afternoon at three o'clock. The speaker for this occasion will be Dr. A. Paul Bagby, pastor of the Baptist Church at Wake Forest. The next meeting will be held at eight o'clock Saturday evening and Mrs. N. Backner, General Secretary of the North Carolina Baraca-Philathea Union will discuss Junior Baraca-Philathea work.

All Junior Baraca-Philathea Classes are requested to be sure to have their delegates present at this time. Sunday morning we will have Mr. A. B. Saleeby, of Salisbury, the leading Baraca man of the state, with us, so do not fail to hear him. And we must not forget to mention another important feature of the program, and that is the "dinner on the ground" for which Perry's people are famous, and last but not least will be the round table discussion for Sunday afternoon beginning at 2:30 o'clock, after which the banners will be presented to the winning classes. Special music will also be a feature of the program. Everybody is invited.

First to establish the \$10.90 price—"Usco"

The makers of U. S. Tires made this announcement last November—

"Hereafter the price of the 30x3 1/2 'Usco' is \$10.90." The lowest price ever quoted on a tire of quality reputation and standard performance.

And now, with the opening of Spring, there seem to be quite a number of "New and Special tires" coming into the market in the \$10.90 price range.

Perhaps you are wondering just what there can be either "new" or "special" about these tires.

It can't be the \$10.90 price—"Usco" established that five months ago.

Nor quality reputation and standard performance—for it takes more than one full season for any new tire to demonstrate where it stands in quality and value

With so many tires rushing into this \$10.90 price

field (now that the season promises business from the American car-owner), it is worth remembering that "Usco" showed its good faith by announcing this price last fall.

The same intent to serve that has made "Usco" a standard value for years.

The "Usco" Tire was never better than it is today—with its established quality, its time-tested performance, and its price closely figured in tune with the times.
