

MR. OWNER OF COUNTRY PROPERTY

Have you ever carried fire insurance on your buildings and allowed it to lapse?

Do you remember how much more comfortably you slept while your home was insured and how much easier you felt those hot, dry summer days when you were away from home?

WHY WAS IT.

It was because you knew that if your home should be burned you would have the money to rebuild it. Let us insure you that comfortable feeling by insuring your home against fire, wind and lightning.

FOR SOLICITOR

I am a candidate for Solicitor of the Seventh Judicial District of North Carolina, and shall appreciate your support before and at the primary to be held June 3rd, 1922. This District is composed of two counties, Wake and Franklin. There are two Judicial offices in the District, Judge and Solicitor. Wake has had both for several years and Franklin is entitled to some consideration and I believe the people of Franklin will insist upon some recognition. In all fairness the people of Wake County should concede to Franklin its choice. I honestly believe that I shall be nominated and I hope that I may count on the loyal support of Old Franklin.
5-5-22 BEN T. HOLDEN.

FOR CONSTABLE

I herewith announce myself a candidate for Constable for Cedar Rock township subject to the action of the Democratic primary to be held in June and will appreciate the support of the ladies and gentlemen of the township.
5-5-22 J. F. MAY.

FOR AUDITOR

I herewith announce myself a candidate for Auditor for Franklin County, subject to the action of the Democratic primary to be held in June, and will appreciate the support of the ladies and gentlemen of the County, having never asked you for anything before.
5-5-22 GEO. W. BROWN.

FOR SHERIFF

I am willing to take the office of Sheriff Franklin County for one-half price that present Sheriff is now getting and give same bond that he is giving. I am not able to buy gas and canvass county, but mean what I say. I do not belong to any Ring or clique. Am strictly independent. May 1st.

TO THE DEMOCRATS OF FRANKLIN COUNTY

Some weeks ago, yielding to the wishes of my friends and my own desire to be of some service to my party and my County, I consented to become a candidate for nomination for the House of Representatives. I thought at that time that the improved condition of my health would permit me to enter into the campaign and serve if nominated. My physician, under whose care I have been during the past year now advises me that, while my health is steadily improving, he thinks I will seriously jeopardize my chances for complete recovery by attempting to carry on any campaign at this time, and yielding to the wishes of my family, under the circumstances, I hereby give notice of the withdrawal of my candidacy. In taking this course I desire to assure my many friends, who have promised me their support, of my sincere appreciation and also desire to assure them my friends and fellow democrats that my interest in the welfare of my party and my County will be no less than if I were in the fight for my own nomination and election and if, in the future, conditions should demand and my health permit, I will willingly serve in any capacity that I may be called upon. In closing I want to call on all loyal democrats to remember that the Primary is but a family affair and let us neither do nor say things in this approaching campaign that will leave bitterness and hard feelings.
Again assuring my loyal friends and supporters of my appreciation. I remain yours for a bigger and ever better Democracy.

No Worms is a Healthy Child

All children troubled with Worms have an unhealthy body, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or digest the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.
