

Fordson TRACTOR

"Yes
I've more
time for
Myself
Since
I Got
a
Fordson"

The Fordson Tractor is taking much of the drudgery out of farm life; it is solving the labor problem; it is reducing the cost of preparing and by almost one half of what it was with horses and it is saving one third to one half of the farmer's time; and making farm life more attractive.

The Fordson will run your threshing machine—and at the most opportune time for you. It will operate the milking machines, saw your wood, fill your silo, pump the water, and take care of every kind of belt work.

And don't forget—it will plow six to eight acres in a ten hour day, handling two plows with ease.

Thus the Fordson is the ideal year-round tractor. It will pay for its fall and winter keep in many ways.

There's a big story to tell you about the Fordson—and a true one—come in and get the facts. Or, if you prefer, telephone or drop us a card and we will bring them to you.

HOUSEWORK IS A BURDEN

Woman's lot is a weary one at best. But with backache and other distressing kidney ills life indeed becomes a burden. Doan's Kidney Pills have made life brighter for many Louisburg women. Ask your neighbor!

Mrs. N. L. Moseley, Louisburg, says: "My back hurt badly and when I got down, it was an awful effort to straighten again. Sharp pains often stabbed through my kidneys and many times when I got up from a stooped position, I could see flashes before my eyes. My kidneys acted too freely and I felt miserable. It was an effort to do my housework and at times my head swam with dizziness. Doan's Kidney Pills were recommended to me and I bought some at the Aycock Drug Co. Doan's rid me of the misery and I have had no trouble since."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Moseley had. Foster-Fulburn Co., Mfrs., Buffalo, N. Y.
