

ASK YOUR WIFE—

If she is satisfied with the "auction system" of selling tobacco?

If she would not like to live in a good home, such as "auction buyers" own?

Ask her if she enjoys working in the fields making a crop of tobacco to give away in the fall?

Ask her if she doesn't believe 70,000 farmers and their wives can lick a handful of speculators?

POLITICAL NOTICE

TO Ladies and Gentlemen: I wish to thank sincerely every one of you who voted or in any way helped to give me the flattering vote received in primary on June 3rd, for your Representative in the House for next General Assembly.

I was honored and feel keenly grateful to each one of you. And since this office is contestable in the second Primary I want to ask each and every voter to support me in second, with your vote and confidence in the primary which is to be held on Saturday July 1st for the same office. For your information I will state I liked only 36 votes of getting a majority of votes cast for that office over my two Competitors, Mr. Stone and Mr. Whitfield.

I shall now ask you to support me again. I must admit it was and is now repulsive to me to ask you to vote for me. The truth is I asked but very few to support me in the first primary. I now know I lost votes by not doing so. The good Book says, ask and ye shall receive. I am now asking and if for any reason I should fail to see you on the street, in the field, yard or home before July 1st, I really want your vote. I have a reason for it. I really want to be your servant for once in the high office asked for. Not that I feel able to give you all you desire or may think should be done there but that I may show you my heart is on the right side—for the best things possible for the whole people. My attitude towards Salaries and Offices shall be in the bounds of pure business principles and common sense, firmly believing that the Laborer is worthy of his hire, and that they shall receive a just and fair compensation for services rendered in the office—commensurate to the best qualified and fitted for position.

I want you to read carefully between lines and draw for yourselves the ideas in mind. In my Original Platform for this Office which appeared for eleven times in this paper—it shall be the chart or guide in my action—when I get up there, next January—and you can bank on my best thought and consideration to every question and vote which will be cast while there for your best interest with this assurance on my part for you. I ask your support on July 1st with the full assurance of a grand victory and large majority on that day. Original Platform quoted below, read and act.

Yours to serve, GEC. H. COOPER.

FOR THE LEGISLATURE

I herewith announce myself a Candidate for the House of Representatives in the approaching Democratic primary which will be held in July. My program or attitude shall be:

- 1st—To reduce expenses as far as possible. This will lower taxes.
- 2nd—To put our Salaried Officers at or about the price as were two years ago.
- 3rd—To apply the pruning knife vigorously wherever it can be used with sound business prudence.
- 4th—To stand firm against any increase in taxation without submitting same to the will of the people.
- 5th—To have no favoritism—to strive hard for equal rights to all and Special Privileges to none. Judges not excepted.
- 6th—To serve well the interest of my County and State, believing strongly in Law enforcement as the only means for protection and safety. Upon questions of Morality you will find me on the side of the upright and pure.

Upon this Plan I ask your support. G-16-2t GEORGE H. COOPER.

ANNOUNCEMENT FOR REGISTER OF DEEDS

To the Voters of Franklin County: I hereby announce that whereas I received the second highest vote for Register of Deeds in the primary held June 3, 1922, I will, as provided by law, continue my candidacy for this office through the second primary to be held July 1st, 1922.

I am very highly and gratefully thankful for the support which I received in the first primary; and will continue to appreciate the support given me in the first primary and any and all support that the voters of Franklin County may give me in the second primary. Assuring you that if I am elected to this high office, I will give the best that is in me to the service of the people of Franklin County. Yours to serve, BENNETT B. PERRY.
