16 UNION CHIEFS ASKED TO ATTEND CONFERENCE AT WASHINGTON ON FRIDAY

CALL FOR MEETING IS SENT OUT BY WARREN S. STONE, PRESIDENT OF BROTHERHOOD OF ENGINEERS

At Gathering Representatives of Brotherhoods Will Consider The Strike Situation Generally; Mr. Stone Declares He Does Not Know What Action Will Be Taken At The Meeting.

Cleveland, O., Aug. 8.—Warren S. Stone, president of the Brotherhood of Locomotive Engineers, this morning telegraphed 16 chiefs of railroad brotherhoods asking them to attend a conference in Washington next Friday to consider the railroad situation throughout the country and "avert the impending calamity to a collapse in transportation."

President Stone's action was taken following receipt of a telegram this morning from Bert M. Jewell, head of the shop crafts unions; William H. Johnson, president of the International Association of Machinists, and J. F. Noonan, president of the Brotherhood of Electrical Workers, asking him to call such a meeting.

"I called the brotherhood chiefs together as requested," Mr. Stone said, "but I do not know just what action will be taken."

Next Move Up To Shopmen and Road

Washington, Aug. 8.—President Harding's second proposal for immediate termination of the railway shop crafts strike awaited today formed action by both sides in the controversy; but rejection by the unions was foreshadowed in statements by their leaders here.

Chief executives of the shop crafts were called to meet here Wednesday to consider the President's proposal that the seniority issue be left to the railroad labor board for determination. At the same time, however, the call also sought a general conference next Friday with "all executives of the railroad labor organizations."

B. M. Jewell, as spokesman for the trio of shop craft leaders who conferred with the president yesterday and received his subsequent call for the settlement of the strike, said it was not expected "that strike action will be suggested at the general conference."

In connection with the call for shop craft executives to meet and pass on the president's proposal, Mr. Jewell pointed out that he and his colleagues did not have authority to answer for the federation. He added, however, that "nobody ought to get the idea that the shop federation will accept."

The railroad executives were to meet Friday in New York to formulate their answer to the White House communication.

Mr. Harding's action today was officially described as "final" so far as the government's efforts to bring the strike to a settlement through voluntary action of the two parties is concerned. Just what significance attaches to that description is not apparent, though it implies that should failure again mark the president's attempt to mediate, the controversy, the government has a course of action in view to protect the interests of the nation as a whole.

MISS SEAY AND MR. KING DROWN

The following announcement was received in Louisburg with great sorrow:

Miss Rosaline Maude Seay, teacher in Highland Park public school Richmond, Va., was drowned in company with James D. King, her fiancé, while surf bathing at Cobb's Island, off Cape Charles, Va., yesterday afternoon. Caught in an undertow, they were both swept to death while King and his father, Joseph D. King, an official of the Pennsylvania railroad, were trying heroically to rescue the young woman. The father was himself rescued with difficulty and the son was washed out to deep water. His body has not been recovered, and probably will not be. He was a resident of Cape Charles and a law graduate of Washington and Lee University.

Mr. King was a nephew of our townsman, Mr. John W. King.

GRADED SCHOOL OPENS SEPT. 5

The Graded School for white children will open on Sept. 5, with the following faculty:

First Grade, Sec. B—Miss Onnie Tucker.

First Grade, Sec. A—Mrs. Robert Smithwick.

Second Grade, Sec. B—Miss Mary Turner.

Second Grade, Sec. A—Miss Lizzie Stewart.

Third Grade—Mrs. W. E. Uzzell.

Fourth Grade—Mrs. S. P. Boddie.

Seventh Grade—Miss Lopiia Jarman.

High School: Miss Mattie Allen—Mathematics.

Miss Ethyl Robinson—Latin and French.

Miss Athleen Turnage—English and History.

Mr. H. B. Simpson—Science and History.

We feel certain that we have a fine faculty employed for the coming year. The majority of the teachers are already well known to our people. Mrs. Uzzell was for a number of years connected with our school in the department of music and has for the past several years been Principal of the Mapleville school. Miss Susie Hayes is well known in Louisburg. For the past two years she has taught successfully in the Lincoln school.

Miss Robinson who takes up the work in Latin and French is a graduate of Trinity College and comes well recommended by the faculty of her alma mater. Miss Turnage is a graduate of the North Carolina College for Women and has had one year of successful experience in Pitt County.

Mr. H. B. Simpson, who succeeds Mr. Carpenter as principal and teacher of Science and History is a graduate of the State University and for the past two years has taught science in the Rocky Mount High School and directed the athletics of the boys. Supt. Wilson of Rocky Mount recommends Mr. Simpson as a top school man.

We are planning to have the best school year we have ever had and to that end we seek the cooperation of the patrons and all friends of education. There is much talk on the street as to whether our high school will continue to be rated as a standard high school. We have a standard faculty, do the required number of class hours of standard length, require standard units for graduation and hope to retain our rating. If we fail in this, it will be due to our lack of standard building and equipment. Is it not time for us to begin to think about enlarging the present building, or building another? Can we afford to wait much longer?

FRANKLIN COUNTY

WOMAN HONORED

Mrs. S. B. Nash Elected Vice-President Farm Women's Convention.

For the first time in the twenty-one years history of the North Carolina Farm Women's Convention, Franklin County has a representative on the executive staff. Mrs. S. B. Nash of Franklinton, a most capable housewife, was unanimously elected Vice-President at the last Convention for the ensuing year. This body represents the largest number of homes of any organization in the state and we hope that the Franklin County women will rally to Mrs. Nash's support and help her make the 1923 Convention the best ever held.

TALKS TO COTTON GROWERS

Mr. H. B. Mask, of the Field Service Department and Mr. Chas. H. Morgan of the American Exchange Speak.

Quite a good number of Franklin County Cotton Growers met in the Court House Monday and heard Mr. H. B. Mask, Manager of the Field Service Bureau of the N. C. Cotton Growers Association, and Mr. Chas. H. Morgan, of Texas, of the American Cotton Exchange. Mr. Mask gave a lot of information to those who had signed the contracts in the way in which the Cotton will be handled, the advances, etc., all of which was more than interesting to those who had come for the purpose of getting first hand information. He also impressed the importance of all those who had not signed to sign. Mr. Mask was followed by Mr. Morgan who gave a clear insight into the workings of the Exchange and lots of vital and valuable information from the successful operation in Oklahoma, Texas and other states last year.

The strictest and most profound interest was shown on the part of all who had gathered to hear these gentlemen and both speeches were highly appreciated.

TREASURY SAVINGS CERTIFICATES GOING STRONG

In looking over the "Savings Herald," issued by the Government Savings Organization, of this Federal Reserve District for July, we are pleased to note that Louisburg ranks second in the amount of gross sales made at second-class post offices in North Carolina. In the amount sold per capita of population the office ranks third with a sale of \$8.41 per inhabitant. The amount sold in the entire Fifth Federal District was \$4,614,082. Mr. Yarborough, the assistant postmaster informs us that he intends to put the Louisburg office at the top just as soon as the crops begin to move and the circulation of money more abundant. It will be remembered that during the sale of War Savings Stamps Louisburg was often in first or second position.

WISS TRIP

Her many friends in Louisburg will delight with Miss Eleanor Perry in her successfuly conducting in the recent Trip Contest of the News-Observer and as we are informed, will have on August 11th for a fifteen day stay at Morehead City. This is quite a compliment to her energy and ability.

You can't keep the upper hand by dealing from the bottom.

A HOUSE PARTY

Misses Pearl Wiggins, of Wendell, Lucille Harris, of near Louisburg, and Marguerite Harrison, of Wake Forest, were the house party guest of Miss Josephine Fuller, of near Louisburg, the past week.

Thursday and Friday nights parties were given for the guest.
