JOE DUGAN (ABOVE), AND ELMER SMITH.

DASHBELL fans and sports editors throughout the country clamored protest when it was announced recently that Joe Dugan, star third baseman, and Elmer Smith, outfielder, had been traded to the New York Yankees by the Boston Red Sox. It was claimed that they had made a willingness to be part of manager Franck's trade to the Yankees. Also that it was a "sneak" trade. They are not to be taken seriously. They will be a source of spending cash when the race gets warm.

The man who cursed cold weather already has started taking it back.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 80c per bottle.
