REPORT HOME DEMONSTRATION DEPARTMENT

(Continued from Page Two)

Our women are still interested in making toilet soap. Quite a lot was made in the spring.

One or two are studying balanced menus, another Home Care of Sick and another selling poultry and garden products cooperatively. In the past five months this club has sold about \$300.00 worth of products. Twice a week, a community man takes the products to the boarding houses charging a small commission for hauling them. This same club in the past twelve months has made up over \$200 using it for church, school, orphanages and sick relief.

However, the big features of the year were the campaigns for Interior and Exterior Home and School Improvement and Mithinery.

One of the largest encampments in the state was held in Franklin County August 22-27. About eighty girls and their chaperones were in attendance. Basketry, sewing and physical exercises were given in the mornings and every other afternoon. Games and songs around a big camp fire were the features of the evenings. Two trained men from the Durham and Raleigh Y. M. C. A. directed the games and athletics. The Home Demonstration Agents from Durham and Wake Counties were in charge of the lessons.

Preparations are now being made for the Two Day Sewing Schools to be held in different sections of the county. This will be followed by a Short Course for the Women similar to the one for the girls.

The social side of the work is not neglected. The meetings are ended with games for the girls. In the women's clubs one free social and one money making entertainment are planned for each month. Bazaar, apron parties, carnivals, box parties, masquerades, suppers, plays, Womanless Weddings, etc. have been given; realizing a total of \$1,901.14 which has been used for church and school improvement.

Respectfully submitted,
MRS. T. H. DICKENS,
Delegate from the Franklin County Clubs.
