strike is about settled.

Both sides of the Railroad strike seems to be determined not to let go, its a pity that some sensible solution cannot bbe reached. A solution that will recognize the rights of everybody

A meeting of the Louisburg Chamber of Commerce has been called by job when the first cotton comes in.

Secretary T. W. Ruffin, for Friday Homer H. B. Mask, manager Secretary T. W. Ruffin. for Friday evening at 2:30 o'clock in the Court House to devise some means of assisting in the construction of the Louisburg to Warrenton highway near C. B. Kearney's. This is the most the field department, is continuing the membership drive with increasing success. Many new contracts are being received daily. The drive will be continued until Saturday, September 2, when a big county rally will be held in each courthouse in the cotton helt. Five thousand new contracts this part of the State and should be built and maintained by the State.

We have been informed that if Frankciation have been called for a confercing the state of the state for maintenance. If this is true Louis ternoon. August 30, at 2 o'clock and burg can well afford to invest in the interprise although it is Sandy Creek 31, at 3 o'clock there will be a interprise, although it is Sandy Creek meeting of cotton growers to receive township's problem and the cost the final plans for handling the cotton should rightly be borne by its citi- of members of the Association.

IT PAYS TO GRADUATE-YOUR OPPORTUNITY

Have you ever stopped to think how many opportunities are closed to you if you do not complete a high school education?

The world to-day wants men and omen who are trained. The high school offers a training hat is never ary for entrance into

ur professions and skilled o excellent preparation Ser the boy

Ser the boy girl who does not wish or cannot afford to go to college. If one does not graduate from high school he cannot go to coilege.

He cannot go to a state normal

chool in most of the states. He cannot go to a first class law

He cannot go to a first class medical school. He cannot go to a first class den-

He cannot go to a first class pharacy school. He cannot be admitted to a Naval

chool of Aviation. He cannot be admitted to an Army Aviation School. He cannot get a first class position

He cannot get a place in any busiess office with unlimited opportunities for advancement

Get a high school education. It is the foundation for success. Without it you will be seriously handicapped; with it you will be far better prepared to make your mark. You must learn if you wish to earn. Rewards are paid for knowledge. The high school offers you an opportunity to get a fair start towards success.

The narrow-minded sestiment of

former generations, calling for a tri-fing accomplishment in reading, writming accomplishment in reading, writ-ing and numbers, has given way to a firm conviction that the school should furnish a broad, liberal, thorough edu-cation, such as culminates in mental and moral culture as well as manual dexterity. Education means efficien-cy, and efficiency can only be acquir-ed by preparation for the exhibition of it:
