DEATH TO GERMS

Here is the best way to keep your house free from disease

Few people realize the germ danger lurking in unsanitary sinks, drains, closet bowls and traps. Kitchen and bathroom floors, too, are ideal breeding places for germs.

Red Seal Lye keeps these places clean and sanitary. It kills all germ life and prevents germs from spreading.

The surest way to thoroughly cleanse and disinfect the bathroom floor is to scrub it with a solution of Red Seal Lye. Cleaning the toilet is also a simple matter. Sift a little Red Seal Lye into the bowl, allow it to dissolve and flush. The result is perfect sanitation.

Red Seal Lye prevents pipes from clogging. It keeps drains open and free-running. Use either in powder or solution, at frequent intervals, at least once a week.

Twenty half-pound cakes of pure soap may be made with one can of Red Seal Lye and five and one half pounds of waste grease. The directions are in the can.

Red Seal Lye is absolutely pure and unadulterated. Red Seal Lye far exceeds cheap brands. Ask your dealer for Red Seal Lye and take no substitute. Send us a postal for the Red Seal Booklet which will be mailed you free. Write today.

HERRIN SLAYINGS BEING PROBED

Indicated That the Investigation of Outrages at Lester Strip Mine Will Be Fair and Far.

Marion, Ill., Aug. 25.—More than two months after 26 non-union workers at the Lester Strip pit, which had been deserted by union bituminous coal diggers, were killed, what has come to be known as the "Herrin massacre" today was the subject of official inquisition. The 26 lost their lives in separate attacks June 21 and 22, the greater number the second day when they were herded from the pit and, according to eye-witnesses, brutally shot, beaten and cut to death.

That the investigation beginning today would be fair and far-reaching was indicated by the announcement of Edward J. Brundage, Illinois attorney general, that neither miner nor coal operator had been put on the especially called grand jury.

Among witnesses summoned are Sheriff Thaxton, his deputies, and Coroner William McCowan. Col. Sam Hunter of the Illinois National Guard, who investigated the Herrin mine war at the request of Governor Len Small, arrived here last night ready to testify before the grand jury.

It was said here today Attorney Brundage had advanced \$5,000 out of his personal funds to defray the expense of the investigation, for which many witnesses have been summoned from other states.

The Longer You Eat Poor Food The More Harm It Does You

Nature works hard to keep you well and in fit condition to meet the requirements of life, but nature expects you to do your part.

When you fill your stomach with poor or impure food you are unfair to nature and an enemy to yourself, for no constitution can withstand the weakening effects of such a continued strain.

We sell the food that aids nature in its work of building up a strong and healthy constitution. You aid yourself when you buy what nature demands.

A dollar gets just as much at this store as at any other place—and it is the kind that builds.
