**No Worms in a healthy Child**  
 All children troubled with Worms have an un-  
 healthy color, which indicates poor blood, and as a  
 rule, there is more or less stomach disturbance.  
 GROVE'S TASTELESS CHILL TONIC given regularly  
 for two or three weeks will enrich the blood, im-  
 prove the digestion, and act as a General Strength-  
 ening Tonic to the whole system. Nature will then  
 throw off or digest the worms, and the Child will be  
 in perfect health. Pleasant to take. 60c per bottle.
