

# CLOSING OUT

## To Change Business

### JANUARY 1st, 1923

From now until then we are going to offer you some of the biggest bargains you ever saw. We expect to sell everything that we have including pianos, talking machines, groceries, in fact everything in our store and that which we have bought that has not yet been received.

## Sale Starts Saturday

We will absolutely sell everything in our store except furniture and fixtures. Come and get some of the big bargains we will offer. Announcements about next year's business will be made in the near future.

\$1,000 worth of Christmas Toys already arrived. These will be put on the sale at the sacrifice prices. As we think this will be our last year handling Toys we will have to clean up this line.

SUGAR, BEST GRANULATED \$7.25

## THAT DULL ACHING

Don't worry and complain about a bad back. Get rid of it! For weak kidneys, lame and aching backs, your neighbors recommend Deane's Kidney Pills. Ask your neighbor! Mrs. C. G. Oakley, Louisburg, says: "My back gave me trouble and mornings there was a steady, dull misery through my kidneys, which bothered me more as the day wore on. The dull pains across my back, tired me out easily; it felt like a weight tied about my waist pulling me down. Nervous, dull headaches were common and when I straightened after stooping, dark specks appeared before my eyes. On reading about Deane's Kidney Pills I decided to try them. The first box relieved me and I kept on with Deane's until I was entirely rid of the trouble. I have had no return of it."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Deane's Kidney Pills—the same that Mrs. Oakley had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

## GUARDING THE EYESIGHT

ONE CHILD out of every four of school age has defective eyesight and must have help or fall behind in life classes.

PARENTS AND TEACHERS  
If they desire that their children get the most out of the incoming school year, will do well to have their eyes looked after before the school opens.

DEFECTIVE EYESIGHT  
causes more failures among school children than any other one thing.

ALMOST ALL HEADACHES  
are caused by defective eyesight, and permanent relief can be had only by properly fitted glasses.
